It was rumored, that a bost containing thirteen passengers by the Golden Gate, was upset in the Chagres River, and all but one drowned. Among them were three gomen and two children.

The United States and Pacific Mail Steam-

The United States and Pacific Mail Steamship Companies have determined to establish a weekly line from New York to California. The arrangement will take effect on March 20.

SMART SALLING.—Ship Flying Cloud, Capt. Cressy, made the passage from San Francisco to Honolulu in eight days, eight

Francisco to Honolulu in eight days, eight and a half hours.
The trade from the United States to Australia is beginning to be very extensive. There are now, from New York and Boston, as many ships "hp" for that country, as for California.

The New York Herald states indirectly that the owners of the Ericsson patent have received three hundred orders for caloric animals.

EEVOLUTION IN MEXICO.

Congress drive out at the Point of the Bayonet.

The City of Mexico pronounced in favour of Revelucion on the evening of Jan. 19th.

President Cevalos finding Congress refractory, introduced a body of soldiers and cleared it of members, at the point of the bayonet. The same evening he issued a

ing the newly-appointed clerks, &c., for employment in a new Mint establishment which the government contemplate forming in Australia.

The Empress of the French has written a letter of thanks to the Municipal Council of Paris, for the kind offer they made of a rich diamond necklace and other costly presents (parwer), intended for her Majesty. The Empress, at the same time, preferred that the sum should be applied to some charitable purpose. The Municipal Council have accordingly decided upon the founding of a house of education for poor young girls.

Late California News.

The steamship Philadelphia arrived at New Orieans on the 9th instant, having left Aspinswall the steamships undel shades from San Francisco to the L5th of January two weeks later, and 180 passengers. The P. left at Aspinswall the steamships Undel Sam and Ohio, with 500 passengers and a million and a half in gold.

The steamships Northern Light and Uncle Sam have arrived at New York.

The Sacramento and San Juan valleys were stiff flooded, and much distress continued among the miners. The roads in many places were impassable.

Flour was selling at the mines at one delined; American was quoted at \$34 and excited the stable of January two weeks factors and the stable of the s
