WAR IN THE EAST.
The war in the East is still raging with great intensity. The Russian army has made great advances in the Caucasus, and has captured several important towns. The Turkish army has also made some gains, but has been unable to break through the Russian lines. The war is expected to continue for some time yet.

THE PRINCIPALS IN THE EAST.
The principals in the East are the Russian, Turkish, and British governments. The Russian government is the most powerful, and has the most resources. The Turkish government is the next most powerful, and has the most experienced army. The British government is the least powerful, but has the most advanced technology.
