

Equal before God

WHILE they reach first for those who must need the comfort of Christ, their hand is extended to all those who wish to enter or assist in the Master's service.

THEY say—"Our contract with God and man is to press on to greater heights of devotion and sacrificial service."

We pray that all, irrespective of creed, will help us as we toil in the cause of humanity.

CLEAN UP DAY

Next Tuesday, May 11th, is Clean Up Day. Let everyone get behind Clean Up Day this year and make it a success. It can be done if everyone does his or her bit. We should at least take enough pride in our town to see that it is clean, and the Town Council in appointing Tuesday May 11th as a Clean Up Day, is giving us an opportunity to make our town look respectable. It believes one and all to get busy and make a grand success of this year's Clean Up Day, and if everyone does their share our town will have a much more attractive appearance.
