LARKIN ATTACKS JUDGE'S REMARKS

NEW YORK, April 8.—James Larkin, Irish agitator being tried in supreme court charged with criminal anarchy, today characterized Presiding Justice Weeks' remarks as "conglomerate and illogical." Then acting as his own counsel he asked him to vacate jurisdiction in his case because he had shown himself "biased" against him ever since his indictment was returned.

Justice Weeks in denying Larkin's request, said he believed he could preside impartially.

Larkin then moved to dismiss the entire new panel of talesmen from which the jury is to be selected, asserting that it would be a "class jury" and not his "class." The original panel was dismissed Monday on Larkin's motion. His petition today was denied.

ADMITS KILLING MRS. DE LORME AFTER QUARREL

ROCHESTER, N. Y., April 8.—Tony Mangiavillano confessed to detectives today that he strangled Mrs. Frances De Lorme in a quarrel in an automobile last Sunday night, hid the body all the next day and on Monday evening took the body in an automobile to the outskirts of the city where it was found yesterday morning.

A charge of murder in the first degree was placed against Mangiavillano immediately after his confession to Detective Captain Whalen at police headquarters. Sarafino D'Accorsa, who earlier today had confessed that he drove the car in which the fatal quarrel took place, is held as a material witness. William De Lorme, husband of the victim, who also was held by the police, was released today.

HOW'S YOUR BLOOD? Pimples and Eruptions Mean Bad Blood

People who have impure or impoverished blood should be careful to take only a temperance remedy made of wild roots and barks, such as Doctor Pierce's Golden Medical Discovery is and has been for nearly 50 years. Ingredients printed on wrapper.

The first day you start to take this reliable medicine, impure germs and accumulations begin to separate in the blood and are then expelled through the eliminative organs.

In place of the impurities, the arteries and veins gradually get fresh vitalized blood and the action of this good blood on the skin means that pimples, boils, carbuncles, eczema, rash, acne and many skin blemishes will disappear. Then you must remember that when the blood is right, the liver, stomach, bowels and kidneys become healthy, active and vigorous and you will have no more trouble with indigestion, backache, headache.

Get Doctor Pierce's Golden Medical Discovery to-day at any medicine dealer, in tablet or liquid form, or send 10c for trial package to Dr. Pierce's 'Invalids' Hotel, Buffalo, N. Y., or branch Laboratory, Bridgeburg, Ont.

BRAMPTON, ONT.—"A few years ago I was in a nervous and run-down condition and felt greatly in need of a tonic. A friend who was being helped by Dr. Pierce's Golden Medical Discovery advised me to try it, too. It helped me from the very start and eventually restored me to perfect health. I feel in a position to praise the 'Golden Medical Discovery' very highly and take pleasure in recommending it to all those who are at all nervous, weak or run-down."—Mrs. ESTHER PRATON.

Growth Shows Desire To Extend Army Work

Commissioner W. J. Richards, chief of the Salvation Army in Eastern Canada, has completed his fifth year in that capacity. During that time the Army has seen one of its greatest periods of usefulness. This period takes in the "war years." The great war had been under way since Aug. and new problems presented themselves to the organization when he assumed command. These problems required a large measure of initiative to overcome. The task of rendering the highest and most efficient service was shouldered and Canada paid tribute to the success which attended those efforts by over subscribing the amount asked for during the Red Shield Drive.

Commissioner Richards is a forceful man. He is a man of few words. He believes in doing things. During the five years, more than 11,000 persons are recorded as having sought salvation. Notwithstanding the losses due to war, there are today nearly 2,000 more names on the Membership Roll than there were in this territory five years ago.

In July, 1915, Canada East was separated from Canada West, the dividing line being Port Arthur. Ever in view of this, there are now only forty one fewer officers in active service in the Eastern territory alone than there were in the combined territories five years ago.

In the Field Report two very striking indications of financial growth are given. In 1914, the Self-Denial total for the combined territories was \$43,726. In 1919, for Canada East alone, it was \$75,591. Harvest Festival returns have been doubled.

Shows Solid Growth. In all the various departments the record. This shows that as often as humanly possible every opportunity has been seized for the advancement of every branch of the organization. Inasmuch as every act of service means the welfare of somebody, the same rate of growth has been reposition which the Salvation Army occupies today indicates tremendously increased service to the community.

This service has been rendered under the leadership of Commissioner W. J. Richards. His five years in Canada have been five big years for the Salvation Army in Canada, and give great promise for the future.
