In the season of 1892 we imported a carload of NO. 1 HARD RED FIFE WHEAT from the CANADIAN NORTH WEST in order , sown by leading farmers in different parts of the Island who in reach sponse to our enquiries have reported results in writing, and some of these reports are printed in our seed catalogue. The success of the Northwest Wheat has been as surprising as it has been agreeable to

Not a Single Complaint has been Received. In every case where our Northwest Fife was sown under same conditions with White Russian, it has out yielded that productive variety, has been as early or earlier in maturing, and immensely more valuable for milling purposes. Every farmer who grew it last year. We are satisfied that this is the COMING WHEAT for this Proviner, and leading farmers and Millers agree with us. We have and are selling it at moderate rates. We are also supplying leading merchants in every important place of business in P. E. Island. CAUTION :-- We have the Genuine Article, it is selected for us Wheat is inspected by the Government Inspector at Winnipeg, and grades No. 1 Extra (the certificates can be seen at our store) it is free! from smut, is plump and heavy, and weighs 64 to 65 lbs to measured to a protect of the super second to be the second of the second to be the construction of the second to be the second to be the second to be the rest of the second to be seen at our store) it is free! to bushel.
