THE CHARLOTTETOWN HERALD WEDNESDAY, DECEMBER 15, 1897.

John Thompson was Premier, ap-peared on two different occasions Joseph Octave Arsenault was for the statement which the to a young man in one of the born at Egmont Bay on August Times describes as "in the highest departmental offices at Ottawa 6th, 1828, he was, consequently, degree improbable." Montreal and instructed him to go to Sir in his 70th year at the time of his Gazette. John Thompson and deliver to death. He was of Acadian him certain messages from the parentage and was educated at Obituaries. dead Chieftain relative to matters the Old Central Academy, Charpolitical and financial. The story goes on to say that Sir John taught school for some time. He (Montreal True Witness, Dec. 4th.) THE LATE SISTER MCDONALD. Thompson consulted the lawyer then started business in his native This devoted woman, who died of who had charge of the financial parish, and by his energy, per-arrangements in connection with severance and sterling integrity, smalloox, at the Civic Hospital on Wednesday last, making the greatest sacrithe dead Premier's will, to which gained a prominent position the dead Premier's will, to which gained a prominent position fice a nun can make—that of dying out the first message had reference, and this man declared the suggestion their unwavering esteem and con their unwavering esteem and con the land of shades fidence. Latterly he carried on a passing notice. A native of Cape Breton, and highly connected, fice a nun can make-that of dying out were excellent. He declared large mercantile business at Wel- she was early deprived of both parents moreover that no living person lington, which is now and for and found herself the eldest of several but himself could possibly know some years has been under the brothers and sisters, to whom she deabout the matters in question. management of his son, whom he voted herself with untiring care direct-On the second occasion that the took in as a partner. He also ing their education and attending to all young man presented himself to carried on a large lobster packing their wants. They fully responded to young man presented minser to carried on a large losser packing their waits. They tany to prove a solution of a so the Fremiership recommended Gertrude Gaudet, who with their Fiera was nee to follow her long sup-certain changes in the Cabinet nine children survive him. The Thereupon Sir John Thompson sons are Rev. S. J. Arsenault, subjected his visitor to a very C. S. S., of St. Joseph's College, members of the Order of the Consevere scrutiny; but was convinced he was in good faith. The Premier then called his colleagues together and submitted the matter to them. The deed Chieftain's old col The dead Chieftain's old col younger brothers, one at home her obligations. Her last, or perpetual leagues at once recognized in the and the other a student at Mem. vows were made a year ago. The daily leagues at once recognized in the suggestions the sagacity of the grand old man. So struct were they with what they heard that Sir A. P. Caron exclaimed, "Great Heavens, is the man at it again!" The story goes on to say that Sir John Thompson acknowledged the changes suggested were ex-cellent and just such as he would like to make if it were practicable. cellent and just such as he would like to make if it were practicable. Whether or not this recital is true, it appears to be just about what might be expected from the old Chieftain. If he is in a posi-tion to interest himself with matters in this world, we may be thoughts to State craft and Cabinet making, and we may be sure that his plans would be good and for the benefit of Canada. It is quite evident that, dead or Donald's Last Communion was m RECENT Montreal and Ottawa was prudent and moderate and in exile and solitude. Only one privition: but was of sound judgment, agreement between those known as the old time Liberals in the Province of Quebec and the Federal Government has reached an acute stage. It is on record that Mr. Francis Langelier has had in his position, for two years, a letter from Sir Wilfrid Laurier a letter from Sir Wilfrid Laurier to the position of Lieutenant Governor of Quebec, on the expiration of Sir Adolphe Chapleau's term of office. Let it be here remarked that during two content of the Cataolic church, and in his be here remarked that during two content of the Cataolic church, and all the comforts be hard such the mashed all the comforts be here remarked that during two commend that that during two commend that during two commend that that during two commend that that during two commend that that that during two commend that that that during two com inly indicate that dis-between those known ence to what he believed to be last sigh and convey her dying mess-Chapleau's term of be here remarked that during two sessions of Parliament Mr. Lan-gelier sat in the House of Com-mons with this promise in his pocket, in defiance of the doctrine laid down by Sir Richard Cart-wright and Mr. Mulock. Accord-wr Langelier at his death bed when the final the last death bed when the final the best provided by the members of his family, all of whom were at his death bed when the final the best provided by the members of his family, all of whom were at his death bed when the final the best provided by the members of his family, all of whom were at his death bed when the final the best provided by the members of his family, all of whom were at his death bed when the final the best provided by the members of his family, all of whom were the best provided by the members of his family, all of whom were at his death bed when the final be here remarked that during two last illness had all the comforts His own. And all thy solitude and desolation was not an indepedent member; but a mere paid retainer of the Ministry. It is altogether likely Mr. Langelier would not have acknowledged himself guilty of such political hereay; would not have confessed that he had crystal, That breaks upon the shore noiseless tide. noiseless tide, Doth whisper in its wavelets of thy Bridegroom, Who wants the disembarking of His bride. have confessed that he had Donald of the firm of A. A. Her solemn Requiem—the body ab-sent—was sung in the chapel of the morality enunciated by two such eminent members of the fold as Cartwright and Mulock, had not the conviction dawned upon him that the written pledge of the Premier was not to be fulfilled. Her solemn Requiem—the body ab-sent—was sung in the chapel of the Mother House, on Friday last. To her dear Sisters, St. Antonia and St. Helen, both away on distant missions—to her Halifax for treatment and died in the Infirmary in that City. He leaves a widow and seven Having mode this discovery he children to mourn the loss of a venerable Community, so sorely tried Her solemn Requiem-the body ab Having made this discovery he children to mourn the loss of a venerable Community, so sorely tried has brought matters to a crisis by kind husband and loving father. In many ways, the TRUE WITNESS unbossoming himself in an inter-view with the Montreal Witness, McDonald, Jessie's Grove and, begs to offer sincere condolence DEATH OF MOTHER St. URSULE. a good Grit journal. Sir Adolphe about thirty years ago, entered Chapleau's term of office has ex- the firm of McDonald Bros. as a a good Grit journal. Sir Adolphe Chapleau's term of office has ex-pired; but no steps appear to have been taken in the matter of ap-pointing a successor to him, he still remains at Spencerwood. In his interview Mr. Langelier says the Premier promised him the Lieutenant Governorship on July 8th, 1896, in a letter which was sent him through the hands of Mr. Choquette, M. P., entirely un-solicited on his part. He further says he is not in the confidence of the Government, and what is own division. He says that men who had worked hard for his political opponent in the election of 1896 have been appointed to offices, for which he would be supposed to designate the proper The Psalmist's words, that " In the supposed to designate the proper applicant. He declared that he and children have our sympathy felt annoyed at seeing the affairs of his party discussed by a number. His widew in their bereavement. R. I. P. In his reference to the seal of her long years to deserve. The ber of former bitter opponents. No doubt all this is quite annoy-ing to Mr. Langelier; but to out-siders it cannot be regarded in States experts had agreed to two which the aged mother entered as fully any other light than that of a nice family quarrel. It is gen-erally admitted that the whole plot is the work of Mr. Tarte. He is the evil genius that controls Congregation Order as an educational establishment.
