TEMPERANCE. -The temperance lodge which started here some time since, is, we are pleased to state, in a flourishing condition. Upwards of fifty members have already been enrolled. Next Tuesday evening a very interesting debate will take place on the subject—'Which has exerted the most influence in society on the temperance cause, the man or the woman." The following officers have been elected for the ensuing quarter:
R. Hiscock, President; Miss L. Savage;
V. President; W. Mallough, P. President; Miss M. Kilpatrick, Sr. Councillor; L. Sanderson, Jr. Councillor; G. Walker, Seey.; K. Wilson, Financier; H. Bickle, Treasurer; Miss L. Kilpatrick, Recorder; T. Wigggins, Marshal; Miss S. Pentland, A. Marshal; D. Bickle I. Guard; J. Walker, Sentinel.

THE BITER BITTEN. - "Snodgrass," like the Devil, is fond of quoting scrip-ture, and makes pretences of biblical lore. Having happily been converted, he dis-plays the various features of devotion. Indeed he is a capacious Christian, an epitome of faith. He piously asks the classleader of the welfare of his charge, for he was always a Methodist and always shall be—until he meets a Pres-byterian, then he is a Presbyterian, old school or new, as the case requires.

However, as he is not a bigot, he can afford to be an Episcopalian, in a good Episcopal neighborhood, etc. The lowest of men is he who seeks to gratify an invariable selfishness by pretending to have some motive which urges them to have some motive which urges them to action. That motive may be either a good of an evil one—a wise or an unwise one. The man who is stimulated to action by a wise motive or a good purpose is worthy of esteem. Worthy of it, because his aim is the service of his God, and the good of his fellow man.

To each Tender must be attached the actual signatures of at least two responsible and solvent persons, residents of Ontario, willing to become sureties for the carrying out of those conditions, and the due fulfilment and particulars. Printed Copies of the respective Specifications can be obtained on application at the Department. This Department will not be bound to accept the lowest or any Tender. God, and the good of his fellow man Then again the man who is incited to ection from an impune or unwise motive. merits both censure and pity, that because he serves the Devil, this because he is a fool and knows no better.

Those who do not thoroughly understand this pastime would have had their ideas some-what enlightened had they witnessed the hunt which occurred a short distance from the village on Friday last. It was a regular old time chase. Men assembled with guns, hounds bayed, and amongst the tumult the game was started, and the hounds followed in gallant style. To see them all racing through the fields, fox, hounds, and men, was a sight to be admired, I tell you. The result of the chase was the veteran fox hunter "Drum" run the game to earth in less than two miles, and the "brush" was settle to make the interest of the same are made on and in compliance with those printed to may signed with the actual the signature of every person tendering (including each member of a firm), followed by his post of the followed by Mr. Wm.
