To Please the Children.
You need them for your boy and your girl. Start the Library now. The "EVERY CHILD SHOULD KNOW" SERIES.
All parents and those interested in the education of children know how difficult it is to secure just the right kind of reading for them. Childhood is the decisive period of life, for it is then that the habits and tastes are formed that have most to do with the development of character. In this library the work that you would do yourself if you had the time, money and literary judgment, has been done for you by the best critics who have spent their lives in the study of literature and in whose opinion you may have perfect confidence.
The editorial work that had to be done was enormous. The literature of the entire world has been drawn upon and the selections have been made from thousands of volumes. These books constitute a complete library for children and grown-ups, one in which pride will be taken and which will encourage the habit of good reading; and furthermore, this is the first time that a collection of such unusual merit has been offered at a price so low.
Here is a volume beautifully illustrated on Heroes, Heroines, Hymns, Legends, Myths, Operas, Pictures, Poems, Prose, Songs, Trees, Water-Wonders, Wild Animals, Wild Flowers, Birds; 20 books in all—the best collection of stories ever gathered for children. Come in and see them, or ask us for a Catalogue of the whole 20 volumes. Only 60c. each.
