The O'Toole Case; The Government Should Act

We direct the attention of the Minister of Justice and the Governor-in-Council to the case of Norah Laracy vs. Michael O'Toole and Edward Loughlin. The circumstances of the case raise the question of the desirability of continuing Magistrate O'Toole in his office, as magistrate. Yesterday a jury gave a verdict of one hundred dollars against him for the wrongful arrest and false imprisonment, by his orders, of a girl of eleven years of age on a charge of breaking a window, and of which charge she was innocent. Her sister, a year older, was also arrested and detained in prison overnight with her. The whole circumstances of the case raise the question whether Mr. O'Toole should be continued in his office as Magistrate. Even if these girls had been guilty of breaking a window, their arrest, removal from their home to another settlement, and detention in prison until trial was to our mind harsh, unreasonable and unnecessary. The absence of all circumstances which would give rise to any fear that the girls would flee from the charge, shows that it was unnecessary, and that the arrest, detention to the tender age and sex of the accused, the harshness and hardship of proceedings which were in any case unwarranted, and the innocence of the young girls of the charge, the Minister of Justice should take up the matter with the Governor-in-Council and go into the whole circumstances of the case and the suitability of Mr. O'Toole for the office he holds. In our opinion public interest calls for action on the part of the Government.

Ladies' Costumes Fall--1915--Styles.

Was there ever a more fickle lady than Dame Fashion? She is always making changes, and this season has surely surpassed herself.

There is a more decided change in this Fall's styles than has been known for many seasons. While materials are similar, Serges, Gabardines, Tweeds, Cord, etc., the designs are absolutely unlike any of their predecessors. Coats are of many styles, chiefly a la militaire, with high collars, snug-fitting sleeves, and the entire coat in some instances is beautifully braided. Skirts are much fuller, both pleated and gored, and are worn very short.

As descriptions are quite impossible, we can only say that we carry the largest and smartest line of Ladies' Costumes in the city.

Deaconess Day at Gower St. Church.

The congregation of Gower Street Church are making a special effort on behalf of "Social Welfare Work" among the people on Sunday next. The Deaconess, a devoted "Sister of the People" finds much to do among the sick and needy folk, and the church in recognition of this need has set apart Sunday, Nov. 14th as "Deaconess Day." Services and sermons will be arranged in harmony with the occasion. In the evening, Miss Pike, a lady recently returned from musical study abroad, will be the soloist.

Has Germany Forgotten

Many tears have been shed by emotional Germans over the sad fate of Belgium, "which was promised the support of England and waited in vain for the help that never came." Now they are wringing their hands over the tragedy of Serbia which was assured of aid and received only "a few British and French officers, followed by batteries of little value." Has this sobbing chorus forgotten that Austria attacked Serbia before Britain was involved in the war?—Springfield Republican.

"Still Getting Worse."

"No one can measure your 'Nerve Force' as it leaves you." "Prescription A" will increase your "Nerve Force" wonderfully. Nerve Force is the very motive power of the body as petrol is of the engine.

If you are using up too much Nerve Force through overwork, worry or other causes—you are like a motor car with a leaky petrol tank, however good the mechanism it must break sooner or later. Now Prescription "A" not only restores lost Nerve Force but actually increases it to a remarkable degree. Try it. You will really be astonished at the result.

Price: Trial Size, 25 cts.; postage, 5 cts. extra.
Price: Large Size, 50 cts.; postage, 10 cts. extra.
