In constant air encounters, five of the enemy machines were brought down. Two British machines were lost. Heavy trenches were rained north of the River Lys and several prisoners were captured. Two enemy aeroplanes touched Nancy. French aeroplanes retaliated on the railway stations at Metz and Arrasville. German attempts to cross the Drina have been repulsed. Two German attacks near Drinsk were also repulsed. In the Caucasus considerable success has been obtained and the enemy dislodged on a 56 mile front. They withdrew in disorder towards Erzrum. General Aymer continues to advance and is now about six miles from Kut.

THE WITHDRAWAL.
WASHINGTON, Jan. 20.
 The British Ambassador, Sir Cecil Spring Rice, told Secretary of State Lansing to-day that the withdrawal of British subjects from danger points in Mexico, is not to be taken as an indication that Britain has altered its policy of leaving the Mexican situation in the hands of the United States.

LEFT FOR PARIS.
LONDON, Jan. 20.
 Col. House, representative of President Wilson, departed to-day for Paris, having concluded a series of conferences here with prominent British officials. Premier Briand and other representatives of the French Government, who attended the Franco-British War Conference, also left for Paris.

THE RIVAL AIR FLEETS.
LONDON, Jan. 20.
 The assertion made by a section of the British press that the German aerial service has recently been perfected to such a point as to surpass that of the British, is not endorsed by Harold J. Tennant, Parliamentary Under Secretary for War, who was questioned on this subject this afternoon in the Commons. Tennant said that military authorities were satisfied that British airmen had given a good account of themselves in recent fighting. The German method of fighting in the air, Tennant said, is of a defensive nature. The new Fokker monoplane, which has been described in the press as superior to those of the Allies, are well adapted for defensive work, the Under Secretary explained, but are incapable of supplanting long flights. If the Germans adopted the offensive and went behind the British lines, he thought they would meet machines quite equal in efficiency and speed as the Fokker.

Fat Without Fear of Indigestion or Sour, Acid Stomach

Instant relief! "Pape's Diapepsin" ends your stomach trouble forever.
 Wonder what upset your stomach - which portion of the food did the damage - do you? Well, don't bother. If your stomach is in a revolt, if sour, gassy and upset, and what you just ate has fermented into stubborn lumps; head dizzy and aches; belch gases and acids and eructate undigested food; breath foul, tongue coated - just take a little Pape's Diapepsin and in five minutes you wonder what became of the indigestion and distress. Millions of men and women to-day know that it is needless to have a bad stomach. A little Diapepsin occasionally keeps this delicate organ regulated and they eat their favorite foods without fear.
 If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quickest, surest, most harmless relief is Pape's Diapepsin which costs only fifty cents for a large case at drug stores. It's truly wonderful - it digests food and sets things straight, so gently and easily that it is really astonishing. Please, for your sake, don't go on and on with a weak, disordered stomach; it's so unnecessary.

Podgoritz with his troops. The Montenegrin Government has been installed at Scutari in Albania.

FIGHTING RESUMED.
ROME, Jan. 20.
 Fighting between Austria and Montenegro has been resumed. Montenegro notified Italy officially of this fact to-day. Montenegro's decision was communicated to the Italian Foreign Office from the Montenegrin Premier. The note is to the effect that King Nicholas and the Montenegrin Government have rejected all terms offered by Austria, and that fighting has already been resumed along the whole front. King Nicholas remains with his army to organize the defenses of the country.

KAISER RETURNS TO GERMANY.
SOFIA, Jan. 20.
 Emperor William, who to-day was at Nish, where he met King Ferdinand of Bulgaria, has returned to Germany.

'TIZ' PUTS JOY IN SORE, ACHING FEET
 "Oh, how 'Tiz' gladdens tired swollen, burning feet - it's glorious.
 Ah! what relief. No more tired feet; no more burning feet; no more swollen, aching, tender, sweaty feet. No more soreness in corns, callouses, bunions.
 No matter what ails your feet or what under the sun you've tried without getting relief just use "Tiz." "Tiz" is the only remedy that draws out all the poisonous exudations which puff up the feet. "Tiz" cures your foot trouble so you'll never limp or draw up your face in pain. Your shoes won't seem tight and your feet will never, never hurt or get sore and swollen. Think of it, no more foot misery, no more agony from corns, callouses or bunions.
 Get a 25-cent box at any drug store or department store and get instant relief. Wear smaller shoes. Just once try "Tiz." Get a whole year's foot comfort for only 25 cents. Think of it.

THE GRIP.
 Now, when a man has got a cold that makes him bark and yip, he talks about his aches untold, and says he has the grip. As well to claim when chilblains flit your toes around about, and cause a picayunish hurt, that you've rheumatic gout. The grip, it is a fell disease, unlike the garden cold, and it was shipped across the seas, from Russia's frozen world. Oh, it is fierce and it will cook the goose of any gent, and make the cold of commerce look like twenty-seven cents. The men who've had it should receive due credit for the same, and if they die they ought to leave a long-enduring fame. Alas, distinction for them moulds no laurel wreaths this trip, for skates with common, ten-cent colds, all say they have the grip. I've had the real imported thing, indorsed by Nick, the czar, and I, of course, would like to spring grip stories, near and far. Alas, this world no solace holds for one to whom it's due; for all the skates with tinhorn colds remark, "I've been there, too!"

Everyday Etiquette.
 "When anyone calls and I am not at home and they leave their card, do I owe them a call or should they call again?" asked Marjorie.
 "You owe the call. Your not being at home makes no difference. That was your loss and the visitor has paid her obligation," replied her mother.

FOR XMAS GIFTS.
 Newton on Ayre, Scotland, Jan. 3rd, 1916.
 Dear Mr. Editor, - I dare say you will agree with me that I'm not a professional correspondent when you read this letter.
 But I would just like to thank through the medium of your paper all the ladies of the Newfoundland W. P. A. and others who so kindly sent us the Xmas gifts of cake and chocolate which I can assure you were thoroughly enjoyed.
 We have just entered another year and I trust it will be a successful one for the British Empire and our Allies. Anyway, we will do our little "bit" towards that and to the best of our ability when the time comes as the Regiment is at present doing. We are not very large in numbers, compared with other larger Colonies, but what there are you will agree is of the right kind of "stuff".
 I think the people at home have good cause to be proud of the 1st Battalion and you may be sure the 2nd Battalion won't be lacking when the opportunity comes.
 A draft of us were expecting to leave here a few days before Xmas, but for unknown reasons were delayed, but we are eagerly looking forward for the orders to move off. We all enjoyed our Xmas and New Year here in Ayre, and we are hoping to spend a happier time in Newfoundland when we have beaten the Germans and Turks.
 We are all in best of spirits and not a bit down hearted, but eagerly looking forward for the chance to show our mettle.
 Now I must wish all a Happy and Prosperous New Year and success to the Evening Telegram.
 I am, sir, yours respectfully,
 L. C. WALTER E. ALEXANDER, No. 1504. P. O., 1st Nfld. Regt.

Visited Wandsworth Hospital.

Mr. G. W. McLeod who had been in England purchasing goods for the Royal Stores, returned to the city by last evening's express. While in England Mr. McLeod visited Wandsworth Hospital where many of the boys of the Newfoundland Regiment are undergoing treatment. The wounded soldiers are being well cared for and all were delighted to meet Mr. McLeod and get the news from home. Mr. McLeod brought with him a splendid photograph of Wandsworth Hospital which is on exhibition to-day.

NO "FRILLS"

Just a Statement About Food.
 Sometimes a good, healthy commercial traveler suffers from poorly selected food and is lucky if he learns that Grape-Nuts food will put him right.
 A travelling man writes: "About a year ago my stomach got in a bad way. I had a headache most of the time and suffered misery. For several months I ran down until I lost about 70 pounds in weight and finally had to give up a good position and go home. Any food that I might use seemed to nauseate me.
 "My wife, hardly knowing what to do, one day brought home a package of Grape-Nuts food and coaxed me to try it. I told her it was no use but finally to humor her I tried a little and they just struck my taste. It was the first food that I had eaten in nearly a year that did not cause any suffering.
 "I began to improve and stuck to Grape-Nuts. I went up from 135 pounds in December to 194 pounds the following October.
 "My brain is clear, blood all right and appetite too much for any man's pocket-book. In fact, I am thoroughly made over and owe it all to Grape-Nuts. I talk so much about what Grape-Nuts will do that some of the men on the road have nicknamed me 'Grape-Nuts', but I stand to-day a healthy, rosy-cheeked man - a pretty good example of what the right kind of food will do.
 "You can publish this if you want to. It is a true statement without any frills."

Eloquent Address by Rev. Dr. Jones.

BEFORE ST. THOMAS'S MEN'S BIBLE CLASS LAST NIGHT.
 Subject: "The Teaching of Jesus Concerning Divorce."
 There was a large attendance at St. Thomas's Men's Bible Class last night and the Rector, Rev. Dr. Jones, delivered an eloquent and instructive address on the subject of Divorce. The rev. lecturer prefaced his address by referring to the passages of Scripture in the New Testament, bearing on this subject, viz.: Matt. 5:32, 19:3 and 9; Mark 10:11; Luke 16:18. He tried to interpret the mind of Jesus and His teaching from these passages, which he said had taken almost twenty centuries to fully understand. The teaching of Jesus concerning Divorce is now only beginning to be understood, and this is, the indissolubility and sanctity of marriage and home life. On these our religious, social and political life depend. In Newfoundland we are not troubled with divorce cases, but we all know and read of them happening in other countries, and some of the causes are defective social arrangements, too soft a creed and lack of moral ideals.
 It was a brilliant and exhaustive address to which we cannot do justice in a brief account such as this; but was a source of instruction and profit to those who had the pleasure of hearing it.
 At the conclusion, Mr. R. Dowden made a brief speech, in which he referred to some parochial matters concerning the Class, and, on behalf of the Class, extended a hearty welcome to some gentlemen from the outports who are visiting the city, and other visitors of the city who are not members of St. Thomas's Parish.
 Next Thursday, the subject will be "The Child," when another helpful and instructive hour is assured.

Mother! Your Child is Cross, Feverish, From Constipation.

If tongue is coated, breath bad, stomach sour, clean liver and bowels.
 Give "California Syrup of Figs" at once - a teaspoonful to-day often saves a sick child to-morrow.
 If your little one is out-of-sorts, half-sick, isn't resting, eating and acting naturally - look, Mother! see if tongue is coated. This is a sure sign that its little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhoea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated, poison, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.
 Mothers can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle.
 Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs;" then see that it is made by the "California Fig Syrup Company."

Off Coronel.

NOVEMBER 1, 1914.
 In the stormy Southern sunset, great guns spoke from ship to ship; Swift destruction, death and fire leapt from every iron lip,
 Till two crushed and flaming cruisers vanished dumbly in the night; Sank, nor left a soul behind to tell of that disastrous fight.
 In the dark they died, our comrades, and without a sign they passed; But they fought their guns, and kept the Old Flag flying to the last; Death is bitter in lost battle, but they died to shield the Right; So they swept from that brief darkness into God's eternal light.
