Messages Received  
Previous to 9 A.M.PREMIER'S STATEMENT ON CON-  
SCRIPTION.

LONDON, April 26.  
A statement issued last night by the Official Press Bureau regarding the secret session of Parliament, says that the Premier stated that recruiting up to date has been short of the requirements necessary in our proper military efforts. He stated that the Government had determined upon three proposals as follows: (1) Prolongation to the end of the war of the service of time expired men; (2) to empower the military to transfer territorialists to any unit on which they were needed; (3) to render exempted men liable for service immediately upon the expiration of their certificates of exemption. With a view to their ultimate addition to its forces the government proposes to conscript youths under 18 years of age on August 1st as soon as they have reached the age of 18. The Premier also stated: (1) The Government recognize that the necessary number will not be available for service in the time required under present arrangements is agreed upon, an immediate effort to obtain men by the voluntary enlistment of unmarried and married men; (2) if on May 27th 30,000 of these men are not secured by direct enlistment Parliament forthwith will be asked for compulsory powers; (3) if in any week after May 27th 15,000 men are not directly enlisted the same course will be taken and the surplus of one week carried to the next; (4) arrangements (2) and (3) will hold good until 200,000 untested men are obtained. In the meantime the Government will constantly review the position. Under this scheme the main ground alleged for the release of attested and married groups disappears.

## MARTIAL LAW IN DUBLIN.

LONDON, April 26.  
Martial law has been declared in Dublin and in the greater part of southern Ireland. Heavy bodies of troops supported by machine guns have been thrown into the danger spots. Machine guns were used in the street fighting in Dublin and the losses among the separatists are said to be heavy. The Post Office was riddled with bullets, and all the windows were smashed.

## DRASTIC STEPS TAKEN.

LONDON, April 26.  
Drastic steps have been taken by the British Government to suppress the rising in Dublin, by a proclamation of martial law in the city and county, and by proclaiming the associations which took part in the movement as illegal associations. This will enable the police to break them up. This was announced in the Commons to-day by Premier Asquith, who, while making a more reassuring statement with regard to the situation in the Irish capital, did not add much to the previous knowledge of what had happened there since noon on Monday. The Prime Minister said that Liberty Hall, the headquarters of the Sinn Féin party, on Stephen Green, which seemed to have been the centre of the rising, had been reoccupied by the military, who were being reinforced by troops from England and Belfast. The National Volunteers had been sent to assist, while many local persons had offered aid. The Premier added that steps had been taken to acquire neutral countries of the real significance of this most recent German campaign. The following telegram was received in London from Baron Wimborne, Lord Lieutenant of Ireland, dated from Dublin: "The situation is satisfactory. Stephens Green is occupied. Eleven insurgents were killed. Provincial news is reassuring. At the opening of the House Mr. Birrell said that it was difficult to say whether the routes to Ireland were open or closed. He added that he was going there if he could make arrangements."

REVOLT EXCEEDS ADMISION OF  
GOVERNMENT.

NEW YORK, April 26.  
The revolt in Ireland far exceeds in extent the admissions of the British Government. According to information received here in Irish circles a force of about 10,000 rebels is opposing the British authorities in Dublin and neighborhood. Reports had it that John MacNeill, leader of the Irish Volunteers, and editor of their official organ, had been shot, but whether in fighting or after arrest, had not been learned.

## CASUALTIES.

LONDON, April 26.  
In the course of a statement in the Lords this afternoon, Lord Lansdowne said that the rebels in Dublin had made a half-hearted attack on Monday on Dublin Castle. There was now a complete cordon around the centre of Dublin. The casualties in Dublin, according to Lord Lansdowne's statement, were 15 killed and 21 wounded, besides two Loyalist volunteers.

## SPRING-RICE THREATENED.

WASHINGTON, April 26.  
The British Ambassador, Sir Cecil Spring-Rice, to-day received and referred to the \$200,000 repatriation of anonymous communication, threatening that any treatment of Sir Roger Casement other than due to a prisoner of war of the highest rank, would be the sentence of death against him and other English servants in this country. (For other early messages see 9th page.)
