THE MENACE OF THE EMPTY CRADLE,

(By Father Bernard Vaughan.)

WHERE IT IS, WHY IT IS, AND WHAT IS ITS CURE.

The object of this book is to recall his fellow-citizens to a sense of the ruinous decay which is sapping the foundations of this 'plot', this earth, this realm, this England, together with its Overseas Dominions. As Newfoundland is one of its Overseas Dominions, every citizen should read this very interesting and only too true book. Price 35c.; postage, 2c.
