Safeguard Your Prints

Just make it a habit to put one of each of your "Snaps" securely in an album so that you've got them for reference, otherwise you'll find you've often given away the very ones you wanted to keep particular-

Albums are a photographic necessity, but not an expensive one if you shop at Tooton's, where there is a magnificent stock of Snap Shot Albums in all grades and sizes, and in a wide range of prices.
