Dif. S. Jacobs, or Aphonia, or Loss of Youce.—Oringe Street, Sr. John, N. B., 1869.—Mr. Fellows—Sir: I am bound to award the palm of merit to the preparation of Hypophosphites discovered by you. I had occasion to use it myself in a case of Aphonia, which would not yield to regular treatment, and am happy to say, it proved to be all that you claimed for it, having acted with expedition and entire satisfaction. I feel called upon to publish the fact, that the profession may avail themselves of a remedy in your Compound Syrup of Hypophosphites.

Yours, very truly,
