

Twenty-four Valuable Lots Given Away TO BOYS AND GIRLS

Boys and Girls! Would you like to own in your own name two splendid building lots? We are going to Give Away Twenty-four Lots to the boys and girls attending the following schools in Calgary: Alexandra, Practice School, Old Central, New Central, Haultain, Victoria, Riverside, Sunnyside, West Ward, Bankview, St. Mary's Separate School, East Calgary Separate School.

Every girl or boy attending any one of these schools will have a chance to win two of these valuable lots. It matters not how small the boy or girl may be, or how big they are, or how rich or how poor. All have an equal opportunity of winning and owning some land really their own with a title in their own name. On these lots some day you will build a beautiful home, or you will be able to sell them and start yourself in business when the time comes. This property will some day be worth thousands of dollars, **and you have a chance to win them.**

This Is How You Can Do It

When your father, your mother, your teacher, your big brother, your big sister, your uncles, your aunts, your cousins, your second cousins, your big sister's beau and your friends buy some of the lots we are selling in the **BRONX**, simply get them to vote for you. **EVERY LOT THEY BUY COUNTS FIVE HUNDRED VOTES.**

The boy or girl who gets the highest number of votes of anyone in the school he or she attends will get the title deed for two valuable building lots absolutely **FREE**.

Remember, boys and girls, these are valuable lots, and every month that goes by they are getting more valuable and will continue to do so for many years to come. The lots will be yours to do what you like with.

Next summer you will be able to ride out on the street cars that will be running out to beautiful Shoultice Park. You can get off at the Bronx, show your friends your property, also show them how valuable the lots they bought have become.

The city has signed an agreement to build the car line and a great many people will build homes on the lots they have purchased.

They will have splendid lots to build upon, as they are all nearly level, the soil is rich, so that the people living in the **BRONX** can have fine vegetable gardens and flowers. Clear cold spring water can be had at from 12 to 30 feet. The air is clear and bracing. The view of the river and the mountains is very attractive.

You will be able to get a street car in to school every morning and back at night, and as the **BRONX** lies high you can stand on the corner and watch for your car coming a long way off.

Altogether you will be very proud to be the owner of some of these lots.

We will be very glad to take your father, mother, brothers, sisters, uncles, aunts, cousins or friends out to see this property or have them call at our office and let us tell them about it.

They can buy them now for a while at \$70 a lot or less, and by paying as low as \$10 a lot down, and very easy terms for the balance.

But whatever you do get everybody you can to vote for you. There are only 572 of these lots, and quite a number have already been sold, so you must get busy right away, because they are selling very rapidly, and first thing you know they will all be sold and those boys or girls who lost no time will have their deeds. Tell your friends to buy right away. The prices of these will be higher in a very short time.

Every day or so the names of those receiving votes will be printed, showing the number of votes they have received and at the close of the competition the names of the winners and their pictures will be shown.

In the meantime we will **GIVE AWAY FREE** to every boy or girl who calls at our office between the hours of 6 and 7 p.m., and who bring a written request from his or her father or mother, a souvenir school Note Book with printed and illustrated cover.
