FERNIE, B. C.

HUSBANDS AND WIVES.

A reserved lover, it is said, always makes a suspicious husband. — Goldsmith.

Certainly wife and children are a kind of discipline of humanity. — Lord Bacon.

When a man should marry—a young man not yet, an elder man not at all. — Thales.

He that loves not his wife and children feeds a lioness at home and broods a nest of sorrows. — Jeremy Taylor.

I have hardly ever observed the married condition unhappy but for want of judgment or temper in the man. — Richard Steele.

He that hath wife and children hath given hostages to fortune, for they are impediments to great enterprises, either of virtue or mischief. — Lord Bacon.

After treating her like a goddess the husband uses her like a woman. What is worse, the most abject flatterers degenerate into the greatest tyrants. —

Christmas Feasting in Old Times.

There are certain dishes which are peculiarly dedicated by custom and tradition to the Christmas feast. The plum pudding is almost the sole survivor of a long list of equally savory ones. There was the boar's head, always the herald of the feast and always seasoned with mustard. Next in importance was the peacock. The skin was carefully stripped off, with the plumage adhering. The bird was then roasted. When it was done and had cooled it was served up again in its feathers and with gilded beak was sent to the table. Sometimes the whole body was covered with gold leaf and a piece of cotton saturated with spirits placed in its beak and lighted as it made its gorgeous entry. The noble bird was not served by common hands. That privilege was reserved for the ladies most distinguished by birth and beauty. Geese, capons, pheasants and pies of carps' tongues also helped to set out the Christmas table in days gone by.

The Young Idea.

Mr. Wise-Johnny, can you tell me why the little hand on my watch goes faster than the big one?

Johnny (after mature reflection)—Papa, ain't it just like why I have to run when I go walking with you?

What He Found Out.

"Well," said the city editor, "what did you find out about that mysterious box at police headquarters?"

"There was nothing in it," replied the reporter.

Forestalling Her.

"Do you go out to your Aunt Mary's this summer?"

"Yes, if we can get off before we get a letter saying she is coming here."

Boy: "Father isn't it murder to kill a pig?" Father: "Not exactly. Murder is assaulting with intent to kill. The other is a killing with intent to salt."

"This bell," said a well-meaning sexton, when showing the belfry of an interesting village church to a party of visitors, "is only rung in case of fire, a flood, a visit from the lord bishop of the diocese, or any such calamity."

Wilson's Fly Pads are the best fly killers made.

A cablegram from London says: Sir T. F. Brady, one of the committee nominated by the Secretary of State for the Colonies, to distribute the \$100,000 voted by Canada to relieve Irish distress, is dead at the age of 80.

Wilson's Fly Pads will clear your house of flies.

FOUR YEARS FOR FORGERY.

Francis H. Reid, of Toronto, who worked Montreal under the name of Mitchell, investment broker, was sentenced the other day to four years in the penitentiary, charged with having forged a cheque on which he secured \$820 from the C. P. R. steamship office. He was also convicted of attempting to obtain diamonds under false pretences from a prominent dealer, but sentence was suspended on that charge.

Stop the Pain but destroy the Stomach.—This is sadly too often the case. So many nauseous purgatives purporting to cure, in the end do the patient immensely more harm than good. Dr. Von Sta's Pineapple Tablets are a purely vegetable preparation, harmless as milk. One after eating prevents any disorder of the digestive organs. 60 in a box, 35 cents.—10

Presiding at the annual meeting of the Palmers' Iron and Shipbuilding company at Newcastle, Sir Charles McLaren, M. P., said that Canada, for the first seven months of 1902, was Great Britain's chief competitor in pig iron production.

Wilson's Fly Pads are sold by all Drugists and General Stores.

What herb is the most injurious to a lady's beauty?—Thyme.

AS THE OIL RUBS IN, THE PAIN RUBS OUT.—Applied to the seat of a pain in any part of the body, the oil absorbs the soothing liniment under brisk friction and the patient obtains almost instant relief. The results of the use of Dr. Thomas' Electric Oil have surprised many who were unacquainted with its qualities, and once known it will not be rejected. Try it.

Mme. Latrille, said to be a Canadian lady, took a flat in Rue Plat, Paris, where she stored pictures and tapestries valued at £10,000. After she left, her son, who was asked to visit the house occasionally, found the collection had been neatly picked over by burglars. A valuable vase, for which the Duke d'Aumale offered £1,200 has disappeared.

The Amir of Afghanistan is rapidly introducing progressive ideas to his capital. RHODES SCHOLARS.

Thirty-five students, living in different states of the Union, who won the Cecil Rhodes scholarship for a course of study at Oxford University sailed from Boston on the 27th to Liverpool.

THEY ADVERTISE THEMSELVES.—Immediately they were offered to the public, Parmelee's Vegetable Pills became popular because of the good report they made for themselves. That reputation has grown, and they now rank among the first medicines for use in attacks of dyspepsia and biliousness, complaints of the liver and kidneys, rheumatism, fever and ague and the innumerable complications to which these ailments give rise.

BLAIR'S GOUT AND RHEUMATIC PILLS

THE GREAT ENGLISH REMEDY.

TESTIMONIAL from the late SIR SAMUEL BAKER, the famous Nile Explorer. "Newton Abbot, Devon, I am Sir— I have delayed my thanks as I wished to test the effect of Blair's Pills by a sufficient interval of time. "For ten years I had suffered acutely from Gout and life had lost its attraction owing to the uncertainty of health and sudden visitations of the enemy which prostrated me for months, or weeks according to the virulence of the attacks. "Blair's Pills have rendered me immense service, as I no longer fear an attack of Gout."

"For the last twenty months I have been comparatively free, as one or two attempted visitations have been immediately stamped out by the assistance of Blair's Pills."

Truly yours (Signed) Saml. W. Baker, Lyman Sons & Co. Montreal and Toronto, The Hole Drug Co., Winnipeg and Martin, Bole & Wynne Co., Winnipeg.

Underwear a Farmer Needs

Regular weights won't do for the farmer. He must be warmer clad, because his work about the farm and long drives to town keep him out in the cold so much.

Stanfield's Unshrinkable Underwear

comes in special weights, especially for farmers. Special weights don't mean clumsy bulky garments. Stanfield's Underwear is so warm because of the peculiar knit of the garments. It's pure Nova Scotia wool, that has been treated to take out the shrink and leave in the softness. We—and your dealer—both guarantee Stanfield's to be unshrinkable.

MUST BE ADAPTED TO SUIT THE COLONIES.

A cablegram from London says Messrs. Montagu and Herbert, in summing up the views of the leading schools of Canadian opinion, and reviewing Canadian conditions say that unless British manufacturers modernize methods and adapt themselves to colonial requirements they will, with or without preference, lose the Canadian markets. The authors' chapter suggests state-aided immigration and the removal of the embargo on cattle.

No one need fear cholera or any summer complaint if they have a bottle of Dr. J. D. Kellogg's Dysentery Cordial ready for use. It corrects all looseness of the bowels promptly and causes a healthy and natural action. This is a medicine adapted for the young and old rich and poor, and is rapidly becoming the most popular medicine for cholera, dysentery, etc., in the market.

H.B.K. BRAND BIG SHIRT

Made big enough for a big man to work in with comfort.

Has more material in it than any other brand of shirt in Canada. Made on the H.B.K. scale it requires 39 1/2 to 42 yards per dozen, whereas common shirts have only 32 to 33 yards.

That's the reason why the H.B.K. "Big" Shirt never chafes the armpits, is never tight at the neck or wristbands, is always loose, full and comfortable and wears well.

Each shirt bears a tiny book that tells the whole history of the "Big" Shirt, and also contains a notarial declaration that the H.B.K. "Big" Shirt contains 39 1/2 to 42 yards of material per dozen.
