The Behring Sea Question Discussed.

Parliamentary Inquiry Regarding Labor Troubles Proposed.

Mr. Parnell Fails to Put in an Appear-

London, Jan. 24.—In the House of Com-mons yesterday, Sir James Fergusson, Political Secretary of the Foreign Office, said the Behring Sea correspondence and discussion were taking the ordinary diplo-matic course, unaffected by the application made to the United States Supreme Court. This application has been made at the in-stance of Canada and upon the advice of American lawyers. London, Jan. 24.-In the House of Com-

Sir John Pope Hennessy has oftended his colleagues by voting with the Government on the Scotch strike question.

Henry H. Wowerth, member for South Salford, gave notice of a question as to whether the election of a candidate, employing non-unionists who promised in the future to employ unionists only, infringed the Corrupt Practices Act. The reply was greeted with Conservative cheers. [It is reported a petition to unseat Mr. Furness, the newly-elected Gladstonian member for Hartlenool, is a probability. The petition will be made on the ground that Furness influenced votes owing to his promising to employ union labor only.]

Mr. Parnell did not appear in the House of Commons to-day, and it is believed he will allow his motion concerning the administration of the Crimes Act, of which he gave notice yesterday, to drop.

Serious Situation in Chili. LONDON, Jan. 23.—A dispatch from enos Ayres states that information has buenos ayres states that information has been received there from Chili to the effect that Valparaiso, Iquique, Coqumbo and Pica continue in a state of blockade. The insurgents are masters of the situation. They have seized Tarapaca, and have sacked all the stores containing, or supposed to contain, arms and ammuni-tion in Valparaiso. The insurgents will consent to allow the port of Valparaiso to be reopened to commerce provided the foreign consuls maintain a neutral attitude. The general opinion throughout Chili, according to the advices received at Buenos Ayres, seems to be that unless President Balmaceda promptly resigns the whole of the military forces of Chili will rise and revolt against his authority. It is added that foreigners residing in Chili are safe from molestation, except the Italian residents, who are accused by the Balmaceda party of having openly and secretly encouraged the revolutionists.

dered a verdict to the effect that the duke died from a bullet wound through his heart, and that he committed suicide while suffering from temporary insanity during an attack of pneumonia. The whole affair is shrouded in mystery. Five days elapsed before the duke's death was registered, and the newspapers join in censuring the attempts of the various public officials concerned to hush the matter up. To such an extent was the policy of secrecy followed that even some of the members of the duke's family were not aware of the real cause of his death until the facts were published in the newspapers. At the inquest it was learned that the duke was entirely alone when he committed suicide, having dismissed his nurse just a moment before firing the fatal buillet.

Prince Baudouin's Death.

Brussels, Jan. 24.—The sudden death of Prince Baudouin's Death.

Brussels, Jan. 24.—The sudden death of Prince Baudouin has caused the most alarming rumors to be circulated on all sides. It was openly asserted that the death of the popular Belgian prince was a repetition of the sad circumstances surrounding the death of the Archduke Rudolph, the heir to the Austrian throne, who met his death in such a mysterious manner on Jan. 30, 1889. It was added that a beautiful German governess who had been recently banished from the Belgian court by order of King Leopold had been in some way connected with the leath of Prince Baudouin. Rumor also had it that there had been an intrigue lasting a long Prince Baudouin's Death. there had been an intrigue lasting a long time between the governess and the prince, and the result of their liason is said to have been the birth of a child. In any case, the death of the prince is surrounded with mystery and speculation.
