ALLEGED MAD DOG BIT BYRON CANINES

Twelve Animals Have Been Put Under Quarantine by Dr. Tennent, V. S.

Dr. J. H. Tennent yesterday visited the district around Byron and quarantined a large number of dogs which were bitten in the last few days by a large collie which on Tuesday bit a heifer at the farm of William Miriam. Mr. Miriam saw the dog, which was frothing at the mouth, bite his heifer and at once gave chase with a shotgun and overtaking it about two miles down the road killed it.

The dog had apparently travelled for many miles, and a number of people all through the district, who had reason to believe that their dogs had been bitten, killed them at once. Twelve dogs are still in quarantine and will be closely watched. Dr. Ten-

nent states that there is no doubt the dog had rabies. PENNA BOOSTS WAGES
