

Silverwood's Hold Annual Springbank Park Outing, Other Picnickers Present

Picnickers swarmed Springbank park yesterday. The weather was cool, but it was ideal for sports, and four of the larger picnics had lengthy programs arranged that found many enthusiastic entrants. Besides the larger picnics, many families sought the river park to spend the Wednesday afternoon merry-making and enjoying the pleasure Springbank offers.

MRS. COFFMAN ILL SEVEN YEARS

Saved from an Operation by Lydia E. Pinkham's Vegetable Compound

Sidell, Ill.—"I was a nervous wreck. I was suffering from a pain in my left side, which was almost unbearable, and I could not even let the bed clothing rest on my body at night. I had been sick for seven years, but not so bad until the last eighteen months, and had become so run-down that I cared for nobody, and would rather have died than live. I couldn't do my work without help, and the doctors told me that an operation was all there was left. I would consent to that, so my husband brought me a bottle of Lydia E. Pinkham's Vegetable Compound and begged me to take it. I have taken fourteen bottles of it and I feel ten years younger. Life is full of hope. I do all my housework and had a large garden this year. I never will be without the Vegetable Compound in the house, and when my two little girls reach womanhood I intend to teach them to take it. I am never too busy to tell some suffering sister of my help, and you can use my name and letter to spread the good news of Lydia E. Pinkham's medicines."—Mrs. L. M. Coffman, R. B. 2, Sidell, Ill.

Silverwood's, Limited, held the largest picnic of the day, when several hundred employees, their wives and friends left London on special cars to take part in their fourth annual outing. Great enthusiasm was shown by both spectators and participants in the extensive sport program which was held.
