A CHRISTMAS OPPORTUNITY

If the past week is anything to go by the coming Christmas Week will be the biggest one by a long way that either "The New or The Old Mammoth" has ever seen. There's such a Special Sale going on in the Clothing Department as will be remembered for many a long day by both buyers and sellers. Good, Honest, Well Made, Reliable Ready-Made Clothing isn't often sold under the price. This exception proves the rule. Half price doesn't convey the correct idea of many of our overloaded lines of Overcoats for Men and Boys. We've got to clear this enormous stock. We're bound to be relieved from this unbearable pressure. Something had to give way. Fortunately for you "it was the prices." We're showing some astounding bargains in

THE NINE DAYS' WONDER SALE

In the Mantle Department has assumed enormous proportions. There's never been such a sale of Mantles in Toronto. We doubt if there has been anywhere else. On Thursday last we inaugurated what we believe will be looked back upon as the Grandest Mantle Sale Toronto has ever seen—a real Nine Days' Wonder. We commenced this fall season with an extravagantly large stock of Cloaks. Our second floor was "A PERFECT FOREST OF MANTLES." We've had a capital season's trade and a profitable one. We've made our money out of the department and now we've decided to sell the entire remaining stock at such prices as will empty the tables and racks in the nine selling days before Christmas Day. Every Garment in the House is reduced from 20 to 75 per cent. This is the way we've cut the prices:

120 Ladies' Short Jackets, brown, grey, terra cotta, fancy curl cloth, beaver and tweed; price was until now, \$5, \$7 and \$8 each; price during the nine days' sale,

183 Fancy Coats, ladies' and misses', various styles and colors, braided and plain; price was \$7 to \$10 each; price during the nine days' sale,
