ELECTRIC TIME SAVER WASHER
THIS IS THE SAFE WAY TO DO YOUR WASHING

Many housewives prefer to keep the washing in the home. This is the safe and sanitary way. Clothes sent out to be washed are mixed with everybody's, and come in contact with contaminated linen. Also by keeping the washing in the home you can supervise it closely and often prevent the ruin of some delicate garment. Clothes last much longer when washed in the home.

With a Time Saver Electric Washer you can easily get all the washing done in your own home. It saves three whole hours on wash day and makes the day an easy one. Both washer and wringer are driven by electric power and run for 2c. an hour. It is moderate in price. It pays back its cost in a year in the saving of laundry bills or washer woman's wages. We have a machine in the store for you. Let us demonstrate it in your home. Phone or call.

Such a Change

in feelings and looks! "After suffering pain, feeling nervous, dizzy, weak and dragged down by weaknesses of my sex—my eyes sunken, black circles and pale cheeks—I was restored to health by the Favorite Prescription of Dr. Pierce." So write many women. Changed too in looks, for after taking Dr. Pierce's Favorite Prescription the skin becomes clear, the eyes brighter, the cheeks plump.

Druggists sell it in tablets or liquid. It's a woman's best temperance tonic, made from wild roots.

HAMILTON, ONTARIO.—"Dr. Pierce's Favorite Prescription helped me greatly at the turn of life. I commenced to have heat flashes and dizzy spells and became nervous and run-down. These conditions very quickly left me after I commenced with the 'Favorite Prescription.' I took several bottles of it and truly believe that I owe my good health of to-day to the medicine I took and the care exercised at that trying time.—Mrs. ROBERT SMITH, 64 Bay Street, S.
