

LUMBER TRADE.

NEW YORK MARKET

The present season has been one of unusual activity in this department of business. At the opening of the year...

Black walnut continues very scarce and any stray lot that happens to enter the market finds numerous competitors...

BRITISH MARKETS

Stirlington, Dunn & Co's monthly timber circular, dated Glasgow, 11th August, says...

Imports are larger than at the corresponding date last year. This is owing to the earlier arrivals this season, the spring crossings, and the fact that...

Boardwood—Waney—Some good 20 inch average was placed at 24, and a small quantity of oak...

Red Pine—The demand is unusually dull, and prices are very low. The stock on hand is extraordinarily large...

White Pine—The import has been very heavy, and as the consumption was only about an average...

Pitch Pine—The import has been very heavy, and as the consumption was only about an average...

Walnut—For prime and large an average of 55 to 58 4d per cubic foot was made...

Deal—1st Pine—Dull except for extra specifications. Very low prices—21d to 22d per cubic foot...

White Pine—The consumption of these is light, and prices low. Greenwood is in great demand...

Staves—New York W. O. W. L. realises from 22 to 22 1/2, and barrels at from 14 to 17 for light...
