WICKED FOR CLERGYMEN.—"I believe it to be all wrong and even wicked for clergymen or other public men to be led into giving testimonials to quack doctors or vile stuffs called medicines, but when a really meritorious article is made up of common valuable remedies known to all, and that all physicians use and trust in daily, we should freely commend it. I therefore cheerfully and heartily commend Hop Bitters for the good they have done me and my friends, firmly believing they have no equal for family use. I will not be without them."

Rev. —, Washington, D. C.

FINE MUSIC

By request, Frantz Abt, the eminent composer, recently selected from Litolff's German Establishment, the greatest music publisher in the world, 148 pieces of music as representative of the best music by the greatest composers of Germany. As Germany stands first in music, this collection is, indeed, a rare one. Each piece is a gem. Printed by Litolff, on fine paper, full size, giving both German and English words. The collection is divided into twelve portfolios (six of vocal and six of instrumental), each portfolio containing from nine to fourteen complete pieces. The portfolios are beautifully ornamented in colors and by full-page engravings—12 different engravings—making them exceedingly attractive for the music rack or stand. Price, 50 cents each, or the twelve for \$5.00. "The most desirable collection that has yet appeared." Boston Gazette. To induce musicians to try this music, I will send one portfolio (only one) for 50 cents. Stamps taken. Address R. W. Shoppell, No. 60 Bible House, New York.
