The Missionary Problem.
JUST PUBLISHED, PRICE \$1.
One of the most complete and compact books on Missions that has ever been published.
It contains a graphic account of the rise and progress of Missionary effort and enterprise in nearly all parts of the world; by all denominations. It is entirely free from sectarian bias. Along with the latest statistics it gives a full account of all the great Missionary Societies of the Nineteenth Century. To ministers and others who are called upon to advocate the cause of Missions it will be invaluable. By all who take an interest in Mission work it should be read and treasured with unflinching interest from beginning to end. It is accompanied by a fine Missionary Map of the World, 26 inches by 16.
