GUIZOT'S HISTORY OF FRANCE.

With 426 Fine illustrations. Eight beautiful volumes, small octavo, cloth, gilt tops. Price reduced from \$19.50 to postage \$1.20.

THE BEST. This is the only complete American edition of this work, which is known as the best popular history of France.

MACAULAY'S Peer Guizot is the Macaulay of the history of France. His narrative is full of emotion, like a quick stream; his characters rise before us as in the flesh; they are men and women, not historic lay figures.

CIPHERED OVER. From the pen of a master. How Mr. Alden can give the eight volumes, and this on good paper, and clear type, including the multitude of illustrations, is a thing we have ciphered over, but we fail to understand it.

47/52 CATARRH: A NEW TREATMENT. Perhaps the most extraordinary success that has been achieved in modern medicine has been attained by the Dixon treatment for Catarrh. Out of 2,000 patients treated during the past six months, fully ninety per cent. have been cured of this stubborn malady. This is none the less startling when it is remembered that not five per cent. of the patients presenting themselves to the regular practitioner are benefited, while the patent medicines and other advertised cures never record a cure at all. Starting from the claim now generally believed by the most scientific men that the disease is due to the presence of living parasites in the tissues, Mr. Dixon at once adapted his cure to their extermination; this accomplished, the Catarrh is practically cured, and the permanency is unquestioned, as cures effected by him four years ago are cures still. No one else has attempted to cure Catarrh in this manner, and no other treatment has ever cured Catarrh. The application of the remedy is simple and can be done at home, and the present season of the year is the most favourable for a speedy and permanent cure, the majority of cases being cured at one treatment. Sufferers should correspond with Messrs. A. H. DIXON & SON, 305 King Street, west, Toronto, Canada, and enclose stamp for their treatise on Catarrh. - Montreal Star.
