Scientific and Useful.

If brooms are wetted in boiling suds once a week they will become very tough, will not cut the carpet, and last much longer.

FAITHFUL.—J. R. Faithful, of Stroud, Ont., says he suffered from quinsy for several years, until cured by Hagyard's Yellow Oil, which medicine is a specific for all painful complaints.

CREAMED PARSNIPS.—Boil tender, scrape, and slice lengthwise. Put over the fire with two tablespoons of butter, pepper and salt, and a little minced parsley. Shake until the mixture boils. Dish the parsnips, add to the sauce three tablespoons of cream in which has been stirred a quarter spoonful of flour. Boil once, and pour over the parsnips.

COUNTERFEITS are always made to look as near like the original as possible. House keepers are cautioned against the many worthless and damaging imitations of James Pyie's Pearlina. Some put up similar looking packages, and others with names sounding like Pearlina, which dealers may endeavor to urge upon them.

POTATO CROQUETTES. Pare, boil, and mash smoothly about six good-sized potatoes. Add one tablespoon of butter, two-thirds of a cupful of hot rich milk or cream, the whites of two eggs well beaten, salt and pepper to taste. When cool enough to handle work into shape, roll in egg and bread crumbs, and fry in nice, wholesome hot lard.

A SEVERE TRIAL.—"I tried all the doctors in this locality for liver and kidney troubles (which I had for years) with no benefit. Four bottles of **WATERBURY'S Blood Bitters** cured me," says Lemuel Allan, Lisle, Ont.

BEETS.—Clean these nicely, but do not pare them, leaving on a short piece of the stalk to retain the coloring and sweet juices of the vegetable. Young beets will cook tender in an hour; old beets require several hours' boiling. When done, skin quickly while hot, slice into your vegetable dish, put on salt, pepper and a little butter, and they are then ready for the table.

A CURE FOR DRUNKENNESS.—Opium, morphine, chloral, tobacco and kindred habits. The medicine may be given in tea or coffee without the knowledge of the person taking it, if so desired. Sent in stamps for book and testimonials from those who have been cured. Address M. V. Lubon, 47 Wellington Street East, Toronto, Ont.

PARSNIPS FRIED IN BUTTER.—Scrape the parsnips and boil gently forty five minutes. When cold, cut in long slices about one-third of an inch thick. Season with salt and pepper. Dip into melted butter and then into flour. Have two tablespoons of butter in the frying pan, and as soon as hot, put in enough parsnips to cover the bottom. Fry brown on both sides and serve on a hot dish.

CHOLERA INFANTUM.—When the poor little fellow wakes you up in the middle of the night, away from physician and friend, and you suddenly feel that his poor little body is about to depart before morning, and all your cherished plans frustrated, how helpless you feel.—Take our advice, go buy a bottle of Perry Davis' Pain Killer, and you have a remedy at hand you can safely rely upon. Do not neglect so important a duty.

To preserve knives and forks in good condition, wipe them as soon as possible after being used, as the longer they are left with grease and stains upon them, the more difficult will they be to clean, particularly if they have been used for salads, tarts, or any article of an acid nature. When this is the case, dip the blades and prongs of steel forks into hot water as soon as done with, and wipe them as directed.

DESERVING OF CONFIDENCE.—No article so richly deserves the entire confidence of the community as Brown's Bronchial Troches, the well-known remedy for coughs and throat troubles.

"They are excellent for the relief of hoarseness or sore throat. They are exceedingly effective."—Christian World, London, Eng.

KEROSENE oil should be kept for use in air tight, closed vessels. A large quantity is best kept in a well-corked can provided with a faucet an inch or two from the bottom, so that the oil can be drawn off as required without disturbing the sediment which usually collects on the bottom of the vessel. The oil for daily use should be kept in a small can, kept corked at the neck and spout. If either cork be left out for a day or two, the oil will burn dull and clog on the wick, especially if the kerosene is kept in a warm place.

"MYSTERIOUS PEOPLE."

Celestial Children of the pig-tailed race! Scorned by us Easterns, who are yet obliged to face and bow before thy Ingleson! What do we owe thee? Nothing more or less than thy anti-Christian idea that gave to Caxton his Printing Press, who multiplied the Bible, that superstition killed and gave freedom to ourselves—and now to-day on Yonge Street loads with Books our groaning shelves. We owe this debt as well thy Hindoo brother for those fragrant, pungent leaves, that give light, health and pleasure to all who use the Li-Quor Tons. All grades from 50c. to 80c. a pound. A handsome volume, your own choice, from our catalogue, with every 8 pounds. **GEO. MANN & Co., Sole Wholesale Agents, 295 Yonge St., Toronto.**
