

CHICAGO MARKET.

MARKET STRONG—CABLES WERE FIRMER.

SHORTS AND OTHERS BUYING.

CORN STEADY.

PROVISIONS DULL.

Chicago, Nov. 11.

As cables were better and as there was quite a demand from both shorts and shipper's wheat ruled much stronger to-day. The market is largely in the control of local speculators who, when short, are easily frightened as they realize the danger of shorting wheat in a market statistically strong, such as this one now is. Private cables quote Liverpool stronger, and better prices from the other side are confidently looked for, from now on. We think present prices will be maintained and wheat should be bought on all weak spots. The rest of the market steady but uninteresting.

MONTREAL STOCK MARKET.

Continued from page 1.

AFTERNOON BOARD.

A fairly good business was done at the afternoon session. Canadian Pacific was steady all sales being made at 83½. Montreal Street was also pretty active 350 shares changing hands at 274 for the new stock. Gas remains around the 194 mark but seems to be well taken at that figure. Toronto Rails ereps up at a very slow pace, but as it has now crossed the 105 mark higher prices will be made. Commercial Cable was strong and sold up to 185 this being such a large money earner its friends buy it irrespective of investment return Royal Electric sold at 160 and closes nominal at 159 to 163. Dominion Cotton brought 103½ and closed with this price bid and 103½ asked.
