No Profit for Me

I don't pretend to make any money from customers who send me one or two orders and stop there—permanent trade is what I am after. I will take every cent's worth of risk if a druggist will let me send him an assortment of my Cigars, the whole order to cost him from \$20 upwards.

Any druggist will be at liberty to return the Cigars at my expense at any time for thirty days after he gets them, and, moreover, if in six months after the order is received the druggist finds that the Cigars have not sold, I will even then take them back and refund the druggist his money. Let me write you more in detail about this proposition in which

I take all the Risk.
