THE SUN for 1880.

THE SUN will deal with the events of the year 1280 in its impossible to exaggerate the importance of the politic own hashion, now pretty well understood by every—tical events which it has in store, or the necessity of body. From January I to December 31 it will be conjected to receive the Government that the founders and printed for the people.

As a newspaper, THE SUN believes in getting all the ances of the press, the exciting contents of the Repubnews of the world promptly, and presenting it in theiliena and Democratic parties, now nearly equal in most intelligible shape—the shape that will enable its attended to the expenditure of time. The greatest interest apon the twenty-fourth Presidential election, to be to the greatest number—that is the law controlling its held in November. Four years ago next November, the shally ankeeup. It now has a circulation very nucle will of the nation, as expressed at the polls, was family unkeeup. It now has a circulation very nucle will of the nation, as expressed at the polls, was and ealoys an incoming the resident of the conditions of life and all ways of thinking buy and past decade of years opened with a post of the president of the conditions of life and all ways of thinking buy and past decade of years opened with a post of the policy should be common sense, which they were driven by the administration interached at Washington, sort from its columna, for they keep on buying and read ing it.

In its comments on men and affair. THE SUN believes in the conditions of life and all ways of thinking buy and past decade of years opened with a post of the policy should be common sense, which they were driven by the diagnation of the peoplings of purpose. For this reason it is, and will con-like any propose. For this reason it is, and will con-like any propose for the pressibility of being misunder-looking at the minor affairs of lite, and in great things a shood. It is will be one hand to chronicle the facts as they are developing, organization, or interest. It is for all, b
