

## Vacation Days Are Kodak Days

The Kodaker has all the vacation delights that others have—and has pictures besides. And there's pleasure in the making as well as in the possessing of Kodak pictures.

Every step is simple now. No dark-room at any stage of the work, and better results than ever.

**KODAKS, from \$5.00 to \$97.00**

CANADIAN KODAK CO., Limited

Toronto, Canada
