

What Sanatogen Will Do for Your Health.

IF you take Sanatogen regularly, three times a day, you will have gained, in a short time, a fund of health, strength and nerve force which will be of inestimable value to you—and you will have gained it easily and pleasantly, at a very nominal cost. Why not set aside some of your spare nickels in order to acquire that greatest of all blessings, Health, by a short course of Sanatogen?

A Genuine and Safe Invigorator.

You will find that the good which Sanatogen does is *lasting* and progressive—not a fleeting stimulus, such as the old-time "tonics" gave, but regular daily improvement, with no reaction and no wearing off of its effects.

It is so safe, too—contains no dangerous drugs—and is freely prescribed by physicians for young children, the very aged, and invalids in the most critical conditions.
