

## THE Wabash Railroad

With its new and magnificent train service, is the admiration of Canadian travellers. Its reclining chair cars are literally palaces on wheels, splendidly upholstered and decorated with the costliest woods. Its chairs, which are free to passengers, can, by the touch of a spring, be placed in any position desired, from a comfortable parlor chair through the various degrees of lounging chairs to a perfect couch. Many prefer these cars to sleeping cars for night journeys, and for day trips they are the most comfortable and convenient cars that can be devised. Two of these reclining chair cars are attached to all through trains between Buffalo, Chicago, St. Louis and Kansas City. Full particulars from any R. R. Agent, or
