# FREE CRAYON PORTRAITS & FRAMES

To all our Subscribers for 1892.

We, the publishers of "North American Homes," in order to increase the circulation of our journal throughout the United States and Canada, will spend this year over one hundred thousand dollars among our new subscribers in the form of an artistic Crayon Portrait and a handsome frame (as per cut below), to be made free of charge for every new subscriber to "North American Homes." Our family journal is a monthly publication consisting of 48 pages, filled with the best literature of the day, by some of the best authors, and is worthy of the great expense we are doing for it. Eight years ago the *New York World* had only about 15,000 daily circulation; to-day it has over 300,000. This was obtained by judicious advertisement and a lavish expenditure of money. What the proprietor of the *N. Y. World* has accomplished we feel confident of doing ourselves. We have a large capital to draw upon, and the handsome premium we are giving you will certainly give us the largest circulation of any paper in the world. The money we are spending now among our subscribers will soon come back to us in increased circulation and advertisements. The Crayon Portrait we will have made for you will be executed by the largest association of artists in this city. Their work is among the finest made, and we guarantee you an artistic Portrait and a perfect likeness to the original. There is nothing more useful as well as ornamental than a handsome framed Crayon Portrait of yourself or any member of your family; therefore this is a chance in a lifetime to get one already framed and ready to hang in your parlor absolutely free of charge.
