ADVICE TO MOTHERS.

Mrs. WINSLOW'S Soothing Syrup should always be used for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for diarrhoea. 25c a bottle.

FOR RICKETS, MARASMUS, & ALL WASTING DISORDERS OF CHILDREN,

Scott's Emulsion of Pure Cod Liver Oil, with Hypophosphites, is unequalled. The rapidity with which children gain flesh and strength upon it is very wonderful. "I have used Scott's Emulsion in cases of Rickets and Marasmus of long standing. In every case the improvement was marked."—J. M. Main, M.D., New York. Put up in 50c and \$1 size.

The happiness of every one depends more on his own mind than upon any or all external circumstances.

The most dangerous fevers are typhoid, bilious, malarious and gastric. These all originate in the stomach, liver or bowels, and may be easily prevented. One of Parson's Purgative Pills each night for a week will drive disease from the system.

FOR THE BABIES

It is not necessary to buy corn cure. Men and women should remember that Putnam's Painless Corn Extractor is the only safe, sure and painless corn remover extant. It does its work quickly and with certainty. See that the signature N. C. Polson & Co., appears on each bottle. Beware of poisonous imitations.

The first thing a kindness deserves is acceptance, the next is transmission.

There is nothing so essential to health and happiness as pure rich blood. It prevents exhausted vitality, premature decline, nervous and physical debility, besides untold other miseries. Parson's Purgative Pills purify and enrich the blood, and will change the blood in the entire system in three months.

It has been calculated that to make one pound of honey the bees must visit from 90,000 to 225,000 flowers.

A real friend is known in adversity.

PUTTNER'S EMULSION OF Cod Liver Oil

There are 165 cities in the world that contain over 100 000 inhabitants, and there are a hundred and one little ailments brought on by an over worked constitution, which might be prevented by the timely use of Puttner's Emulsion.

It is in diseases of this origin that it has achieved and is achieving such marvelous results. Rev. R. T. Brine, Pugwash, N.S., says—"Being fully convinced that suffering from exhaustion, brain weakness, and rheumatic attacks, will gain speedy relief from the use of Puttner's Emulsion. I feel it a duty to make known to such its remarkable effects on my system."

Dr. H. J. Fixot, of St. Peter's, C. B., says:—"Judging from the results obtained from Puttner's Emulsion in the course of my practice, I cordially recommend it to possess all the virtues ascribed to it as a medicine."

Young and growing children thrive on Puttner's Emulsion.
