THE CHIEF THINGS

BY REV. A. W. SNYDER.

THERE is need of a popular presentation of Church prin-
 ciples for the people; explanations of the position and
 work of our Church that are clear, intelligent and force-
 ful. This new book fills the bill. The *Churchman* says "it is
 a most timely volume." Bishops Huntington and Whitehead
 strongly commend it. The *Living Church* welcomes it as "one
 of the most needed helps in parish work. Send for a copy.
