"The Great Monthly Magazine of the World."
(Pacific Churchman)

"It is simply the ideal young people's magazine, and holds the first place."—BOSTON JOURNAL.

THE CENTURY

MAGAZINE IN 1889.

WHY has it such an enormous circulation? Experts estimate that between two and three millions of people read each number.

BECAUSE THE CENTURY is above everything a leader in America and it has fostered American authors. It is alive to the issues of to-day. What it prints sets people to thinking and talking.

BECAUSE whatever other periodicals may come into the family, the great reading world has found out that "no household can keep abreast of the times without THE CENTURY." Its success is explained by its contents.

BECAUSE the greatest writers of the world like to have their work read by the greatest number, and therefore to such a magazine as THE CENTURY the best naturally comes. It was for THE CENTURY that Gen. Grant first wrote his reminiscences of important battles.

BECAUSE it is publishing the life of Abraham Lincoln, by his private secretaries. Of this it has been said, "The young man who is not reading it robs himself of that which he will one day hunger for." The coming year presents the most important part of this great history, which may be begun at any time.

BECAUSE it is printing those remarkable articles on "Siberia and the Exile System," by Geo. Kennan, which are attracting universal attention, and are being reprinted in hundreds of foreign newspapers, but are not allowed to enter Russia. The "Chicago Tribune" says that "no other magazine articles printed in the English language just now touch upon a subject which so vitally interests all thoughtful people in Europe and America and Asia." They are "as judicial as the opinion of a Supreme Court tribunal,—as thrilling as the most sensational drama."

BECAUSE during 1889 THE CENTURY is to have a series of engravings of the greatest pictures of the old Italian masters, made by Timothy Cold, the leading wood-engraver of the world, who has spent four years in Italy on this work; a series of "Strange True Stories of Louisiana," by George W. Cable; occasional richly illustrated papers describing the current International Sunday-School Lessons; interesting papers on Ireland, and a series of humorous and pathetic Irish-American stories; a striking illustrated novellette, "The Romance of Dollard," by a new writer, and other novelettes to be announced later; supplemental war papers, untechnical and descriptive of special incidents; "Pictures of the Far West," by Mary Hallock Foote, etc., etc. We have not space here to announce all the new features. Let us send you (free) our "Catalogue of Special Publications," with original illustrations, containing full prospectus, special offer of back numbers to beginning of the Siberian papers, etc. The November number, which begins the new volume, is for sale everywhere after Nov. 1st. THE CENTURY costs 35 cents a number; \$4.00 a year. Address THE CENTURY Co. 33 East 17th Street, New York.

ST. NICHOLAS FOR '89.

An All-Around-the-World Year.

THIS world renowned magazine "for young people and their elders" is to have a great programme for the new volume beginning with November, 1888. The editor, Mrs. Mary Mapes Dodge, calls it "an all-around-the-world year." Of course, the bulk of the contents, as heretofore, will relate to American subjects; but young America is always glad to learn what goes on in the world outside, and these stories and descriptive papers are not of the dry geographical order, and they will be strikingly illustrated. We have space here for only a few prominent announcements.
