**7&8**

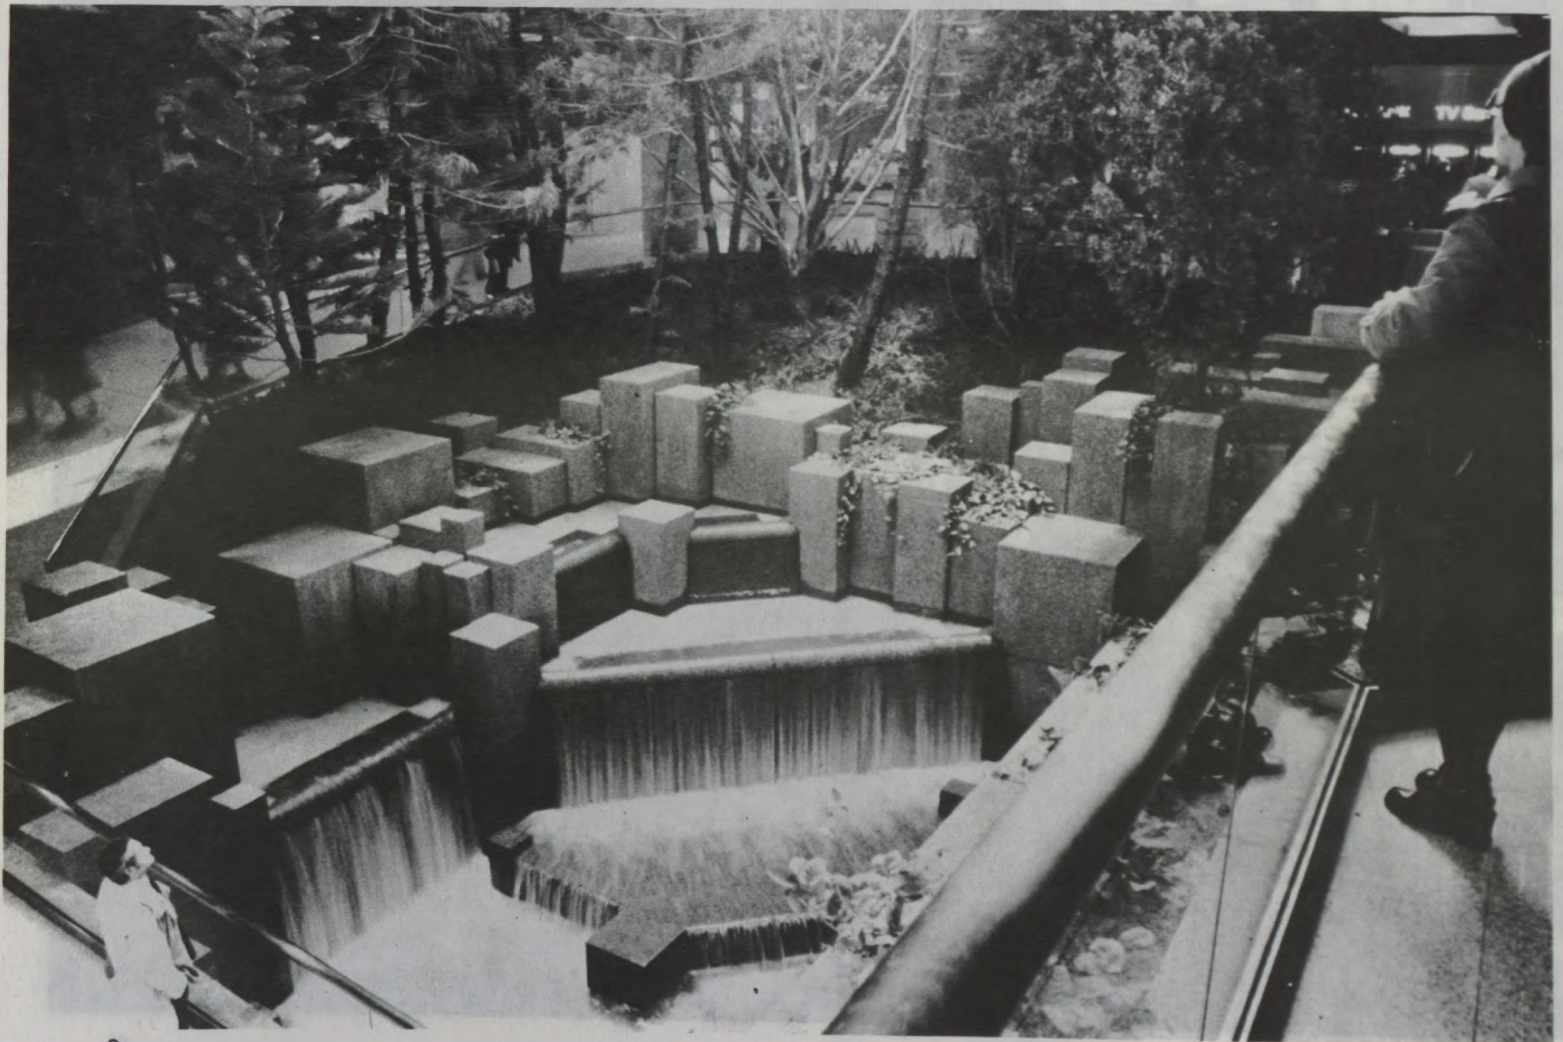

The upper concourse level — a busy connection between the station and the financial district. The Merchants' Mall contains provision for fifty boutiques, restaurants, services and a cinema.

**9**

At the garden court — the fountain also contains a platform for entertainment. Norfolk pine and fig trees are used in the garden.

**10**

Personal banking level looking through window to Royal York. The escalator is up to banking level and eventually to mezzanine level.
