

4. The provisions of paragraphs 1 and 2 shall not apply if the beneficial owner of the interest, being a resident of a Contracting State, carries on business in the other Contracting State in which the interest arises, through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the debt-claim in respect of which the interest is paid is effectively connected with:

- (a) such permanent establishment or fixed base; or
- (b) business activities referred to under subparagraph (c) of paragraph 1 of Article 7.

In such case the provisions of Article 7 or Article 14, as the case may be, shall apply.

5. Interest shall be deemed to arise in a Contracting State when the payer is that State itself, a political subdivision, a local authority or a resident of that State. Where, however, the person paying the interest, whether he is a resident of a Contracting State or not, has in a Contracting State a permanent establishment or a fixed base in connection with which the indebtedness on which the interest is paid was incurred, and such interest is borne by such permanent establishment or fixed base, then such interest shall be deemed to arise in the State in which the permanent establishment or fixed base is situated.

6. Where by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the interest, having regard to the debt-claim for which it is paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In such case, the excess part of the payments shall remain taxable according to the laws of each Contracting State, due regard being had to the other provisions of this Agreement.

7. Notwithstanding the provisions of paragraph 2,

- (a) interest arising in Papua New Guinea and paid to a resident of Canada shall be taxable only in Canada if it is paid in respect of a loan made, guaranteed or insured, or a credit extended, guaranteed or insured by the Export Development Corporation; and
- (b) interest arising in Canada and paid to a resident of Papua New Guinea shall be taxable only in Papua New Guinea if it is paid in respect of a loan made, guaranteed or insured by such lending institution as is specified and agreed in letters exchanged between the Contracting States.
