

## International calling made easy with *Canada Direct*\* service

### HOW TO USE CANADA DIRECT

#### Calling from a touch-tone phone:

- 1 Refer to the chart for the *Canada Direct* access number for the country you are in. Call Canada from any country listed. And call country-to-country from any of the shaded countries.
- 2 If you are in a hotel, follow hotel instructions to get an outside line. (*Canada Direct* is provided to hotels toll-free. Some hotels may apply a surcharge to each call regardless. Check with the hotel administration to determine if surcharges are applied.)
- 3 Dial the *Canada Direct* access number.
- 4 Follow the voice prompts to select language choice and method of payment. (Never give a credit card number). You may use a *Calling Card* or *Call-Me*™ service. Or, you may select "2" to place a call using a *HELLO!*™ Phone Pass or "0" to call Canada collect. To speak to a *Canada Direct* operator, press "0" at any time during the voice prompts.
- 5 If you are using a *Calling Card*, you may place up to five calls in a row without hanging up — simply press # after each call, then follow the voice prompts.
- 6 For fax calls, pick up the handset and follow steps 2 - 5. For modem calls, refer to the *Canada Direct* web site for instructions: [www.stentor.ca/canada\\_direct](http://www.stentor.ca/canada_direct).

#### Calling from a rotary-dial phone

Follow steps 1 - 3, then wait for the *Canada Direct* operator to answer your call. You may use a *Calling Card* or *HELLO!*™ Phone Pass to place calls anywhere, or you may call collect to Canada.
