

Mr. Clark's visit to India will coincide with the Seventh Indian Engineering Trade Fair, India's largest international trade fair. This year Canada has been designated as the partner country and some 50 major Canadian business firms will be participating in the Fair. Associated with the Trade Fair will be a "Canada Week" consisting of a number of Canadian cultural events. While in New Delhi Mr. Clark will participate in the first-ever Annual Ministerial Consultations with the Indian External Affairs Minister N.D. Tiwari. Mr. Clark's discussions with Indian leaders will cover the full gamut of bilateral and international issues. Mr. Clark will also visit Canadian development assistance projects.
