

Mr. KENNEDY (Peace River): Possibly the government will be able to accept it, then. There is no question about time; we want action this year. That is what we want. We have been promised action practically every year but we have had no real action with regard to the matter, and I think that we ought to know exactly where we stand.

The house divided on the motion (Mr. Kennedy, Peace River), which was negatived on the following division:

WESTERN FREIGHT RATES

REDUCTION OF DOMESTIC RATES ON GRAIN AND GRAIN PRODUCTS

On the orders of the day:

Mr. THOMAS REID (New Westminster): Mr. Speaker, I should like to direct a question to the Minister of Railways (Mr. Manion). Is he now prepared to make a full statement regarding the reduction in freight rates? He stated the other day that negotiations were under way and that he was awaiting the results.
