ways. Either they agree with the hon. member for Battle River that this is a reasonable action for the province of Alberta to take, or they agree with the premier of Ontario that it is not a reasonable action.

The final comment I should like to make concerns the remarks of the hon. member for Calgary South (Mr. Bawden). He said that if the Auditor General is not an auditor of Petro-Canada he must assume that we want to hide the facts concerning this particular company.

Mr. McKinley: On a point of order, Mr. Speaker, it is now past 9.45 p.m., and I suggest Your Honour should call the minister to order.

Mr. Macdonald (Rosedale): That is a most unfair attack upon the chartered accountant profession in this country.

The Acting Speaker (Mr. Penner): Order, please. The hon. member for Huron-Middlesex (Mr. McKinley) is seeking the floor on a point of order.

Mr. McKinley: I stated my point of order, Mr. Speaker. If it could not be heard, I repeat that the agreement was that we vote at 9.45. The clock is past 9.45 at the present time. I was called to order and I see no reason why the Minister of Energy, Mines and Resources, arrogance and all, should not be called to order.

Some hon. Members: Hear, hear!

The Acting Speaker (Mr. Penner): Order, please. It being 9.45 o'clock it is my duty, pursuant to an order made Friday, June 13, 1975, to interrupt the debate and to put forthwith every question necessary to dispose of the motion now before the House. All those in favour of the motion will please say yea.

Some hon. Members: Yea.

The Acting Speaker (Mr. Penner): All those opposed will please say nay.

Some hon. Members: Nay.

The Acting Speaker (Mr. Penner): In my opinion the yeas have it.

And more than five members having risen:

The Acting Speaker (Mr. Penner): Call in the members.

The House divided on the motion (Mr. Macdonald (Rosedale)) which was agreed to on the following division:
