

God bless the Band to-night,
He who for us shall look,
Shall give direction right
Out of Thy blessed book ;
So shall his soul quiescent be
With that repose which comes from Thee.

God bless the Band to-night,
Those raw recruits bring in,
Arm! arm them for the fight,
The conquest over sin ;
So shall their souls quiescent be
With that repose which comes from Thee.

God bless the Band to-night,
Together bless us all ;
Be Thou our rock and light
When storms about us fall ;
So shall our souls quiescent be
With that repose which comes from Thee.
