

# LOOK!! LADIES, LOOK!!

## A NEW DISCOVERY.

By accident, in compounding a solution, a part was spilled on the hand, and on washing afterward it was discovered that the hair on the hand was completely removed.

We are preparing this wonderful compound under the name of **MAGIC DEPILATORY**, or **MAGIC HAIR REMOVER**; introducing it in our Family Pamphlets and also through the Druggists.

IT IS PERFECTLY HARMLESS,

AND SO SIMPLE ANY CHILD CAN USE IT.

The simple directions are to apply the mixture for a few minutes (three to five minutes are sufficient), then wash off the mixture with warm water, and we guarantee that you will find the skin, where the mixture was applied, perfectly clear and smooth as a babe's face, the hair having been dissolved and removed by the preparation.

**We absolutely guarantee that there will not be the slightest pain or injury when applied or ever afterward.**

Hundreds of ladies who have been annoyed with hair on their **FACE, NECK AND ARMS** have used this preparation, and now recommend it to others.

Gentlemen who have an undue growth of hair on their necks, or a wilderness of hair on the bridge of the nose, or if the beard is desired to be permanently removed, can also use this preparation, and it will certainly be appreciated. Price, \$2.00 per box, sent by mail postpaid by us; or you can order through your druggist, who will send to us for it. One box will be enough to give the desired results in any ordinary growth of hair; however, if there should be more hair to remove than we calculate for one box, to any purchaser we will send another box free.
