A novel with a good deal of incident ingeniously conceived and well described. It is certainly very readable, and on that account to be praised.—*Toronto Mail.*

“THE ADVENTURES OF MICK CALLIGAN, M.P.,”

By W. R. Ancketill, Price : Cloth, 75 cents ; paper cover, 50 cents.

Likely to command a wide spread popularity. The story is, indeed equally striking in incident, and amusing in illustration. Lever has drawn few Irish characters more distinct than one or two it introduces.—*Sunday Times.*

JOSH BILLINGS' ALLIMNAX, for the year 1876.

Price 15 cents.

The book is full of the quaint oddities which have made its author famous, at the same time that the calender is a wonderful astronomical and meteorological medley.—*Canadian Ill. News.*
