

had much trouble in restoring order and tranquillity in the camp; he succeeded however, by promising to act as sentinel all night over his dear Indians. The next day he recommended Louise not to be disturbed in her prayers by the influence of such fears; and in case the phantoms returned again to molest her, to come, even though it were midnight, and tell him, but no one else, so as to create a panic in the village. On this occasion as ever, she showed her obedience and submission; and although the frightful visions returned from time to time, her victory over the demon was complete. From that time for several years, and down to the period of her last illness, she calmly continued her pious visits to the cemetery, exempt from all trouble and all fear. One day the missionary in an instruction, advised his flock to remember the souls in purgatory, especially after communion. Louise received the recommendation as an advice from heaven, and the first time she approached the holy table, she was seen, after receiving the Blessed Sacrament, proceeding to the cemetery at the head of all the communicants, where they spent a considerable time in prayer for the relief of the faithful departed. Her example greatly increased this beautiful practice of Christian life; the greatest part of the Indians were soon seen following their pious guide to the place of rest; at last all went. This holy custom is still observed.
