During the year, 32 medests of the Dairymen's Association had suffered greatly thru the meeting being held at the same time as the Gueiph Stock Show, when the dairymen invarick Show, when the dairymen invariby took a subordinate position. He advocated the holding of a separate show. The sum of \$200 had been placed in their estimates for this very purpose. J. B. Mallory, representing the Holstein Breeders, announced that they had put aside the sum of \$300 to aid in starting the show, and John McQuaker of the Western Dairymen declared that his society would not be behind any other. Mr. Dargarvel favored the plan, and a resolution was endorsed. recognizing the importance of holding a national dairy show, and that all necessary steps be taken to organize and establish the same. This point set-tled, the question of location became a live topic. Twenty delegates were present from Peterboro to urge the vantages of that city. On behalf of Toronto, Ald. Commissioner Harris tendered the use of the St. Lawrence Market, and after considerable discussion this offer was accepted for next January or Febru-

with a request for a substantial grant The deputation, some eighty in number, made out a strong case, urging that the dairy interest was of paramount im portance, and that the plan at present of giving small amounts to two or three so-called dairy shows was not in the interest of the dairy industry in general. The Fat Stock show at Guelph did little for the dalpemen. The deputation suggested \$4000 as a reason-automobile." able sum. It was proposed to still fur-ther enlarge the scope of the association by taking up the question of the supply of milk for large cities and generally improve the lot of the dairymen. Hon. Mr. Monteith expressed his sympathy with the views expressed along general lines. With respect to the grant there might be room for discussion, althe the government would go a long way to meet their request.

The members adjourned at 1 o'clock, to wait on the minister of agriculture,

### ACCUSED OF THEFT.

The police were summoned to a Yonge-street store yesterday afternoon to arrest Mrs. Pauline Pier, whom a floorwalker caught trying to conceal some dress goods under her cape. The woman was arrested, and a subsequent search of her apartments at 119 Cen tre-avenue resulted in the recovery of a large quantity of dress goods, including silks, blouses, skirts, stockings, gloves and linen, to the value of \$100. Mrs. Pier is about 35 years of age.

# HAMILTON HAPPENINGS

Rev. T. A. Moore, Field Secretary, Goes to Town to Help Enforcement of the Act.

Hamilton, March 13 .- (Special.) - The Rev. T. Albert Moore, one of the field secretaries of the Lord's Day Alliance, was in the city this evening and conferred with the executive of the local branch on ways and means of securing the observation of the new Lord's Day

It is expected that the alliance will take action next Sunday and will try and round up all those guilty of violating the act.

The Rev. Mr. Moore spoke to a large audience in Zion Tabernacle this evening. He said the aim of the alliance was not to force people to spend the first day of the week in any particular way. All it sought was to secure a day of rest for everyone. John Alde, a well-known merchant,

died at his residence, 354 East Cannonstreet, to-day. He was 64 years of age. Francis Murphy, 2 Mill-street, a moulder, died to-day at the age of 50

David Burnett, an old resident of Saltfleet, died this evening. He was 84 years of age The parks board discussed plans for erecting a \$5000 pavilion in Dundurn Park. Architects will be asked to sub-

mit plans. Supts. Weaver and Duncan applied for increases of pay. The fire and water committee asked

the board to allow the city to build a fire station on Woodlands Park. The board does not look favorably upon the proposal, but no definite decision vas arrived at.

The police commissioners are having difficulty in getting new constables. They wanted eight this morning, and

were able to pick out only six from the nine applicants. The six appoint ed are: Elgan C. Ince, Richard Elliott, James E. Merritt, Alfred J. Turner, Thaddeus Stanton and John H. Smith. A bylaw prohibiting gramaphones in public places and the new cab tariff were passed.
Mrs. Jordan, one of the claimants of

th eTodd estate, has been bowled out. She claimed \$53,000. Mrs. Ellen Cole, aunt of former Ald. Williamson, died this morning at the House of Providence, Dundas.
