Graham of Fergus Signs With Tecumseh—Other News

The North End Club in the senior C. L. A. has decided to call their team the Trojans.

Jimmy Murphy of the Toronto was over in St. Catharines recently interviewing Jimmy Kervin, and the chances are Kervin will turn out with the Toronto.

The North End Club after an eastern inside home man who is reported a dandy.

Stubby Graham of Fergus was in the city yesterday and signed with the Tecumseh for the coming season. He will likely replace St. Picher at point.

By the way, there is some talk that Picher has signed with the Trojans.

Besides losing Kulla, the sterling little inside home player, Toronto stand to lose Charlie Lowe, a good position in St. Catharines and can hardly spare the time.

One of the local N. L. U. teams has lines out for Kitten Henderson, the big Port Hope defenceman.

Pat McDougall, who played with Beaverton last year, and whom Tecumseh were reported after, is said to have been recruited by Newmarket, and yet the intermediate C. L. A. series is amateur!

All of last year's Midlands will be in line again, regardless of the report that Warwick and Greer will play senior. The team will play intermediate C. L. A., and will be picked from the following: Hooper, Rowland, Twiddle, Burton, Wood, Warwick, W. Yennan, E. Lillie, J. Wright, Stroud, Braden, Woodley.

St. Simon's Lacrosse Club will practice on Tuesday and Thursday nights, at 5.30, and on Wednesday night at 8 o'clock. There will be a meeting of the club at Froese Hall, at which a full attendance is requested.

As yet the C. L. A. has not sought the advantage of affiliation with the C. A. U., and may not do so in the near future. The Junior and intermediate lacrosse sections are recognized as amateur, and have not asked the union to locate professionals for them to avoid. This is no athletic crime, and cannot be punishable, nor will the C. A. U. interfere.

The statement in an evening paper that President Stark had told it that C. L. A. players would be professionalized, is made out of the whole cloth. Mr. Stark states emphatically that he had not declared himself on the question, which was out of his jurisdiction, being a matter for the regulation committee.

Dave Whicker and Donz. Munro, who played with the Winnipeg team last year, have gone to the coast. Both players played with Durham a number of seasons ago.

Boxers From Markham.
Markham, April 8.—Herbert Tunny is training here for the city amateur boxing tournament, April 25, 26 and 27, in Toronto. He will enter the light and welterweight classes. The Markham Club will also have a candidate in the heavyweight division, and probably a third man in one of the smaller classes.

STILL NET AT JOHNSTOWN TORONTO WORK INDOORS

Manager Kelley Sizes Up His Men—Exhibition Baseball Played on Monday.

Johnstown, Pa., April 8.—To-day's game between Toronto and Johnstown was called off because of wet grounds. The Toronto team worked on in the afternoon in the local Y.M.C.A. gymnasium, under the direction of Acting Manager Tim Flood. The team played to-morrow night, Wednesday, weather permitting. Prior to leaving Johnstown, Kelley sizes up his men. Kelley says the team is in good shape for the Tri-State games.

Will not let them work too hard in these 18 games we have thru the Tri-State circuit. No chances will be taken in getting any of them hurt. The real games later on are the ones we are after.

We want, and want badly, is a good catcher. I expect to land one any day now, and am waiting for word from Manager Deonard of Boston, who has been promised to turn over a good man to me when he reports. I am to hear from him Monday.

We play 18 games thru this old outlay circuit, opening at Johnstown, Pa., Monday, and taking in Altoona, York, Harrisburg and Lancaster in order. All are within a trolley ride of one another.

Conor looks like a good man on first, and that counts out the infield. I have no doubt at all as to Flood, Frick and Egan. It is a little hard to have any opinion as to the pitchers, as they have not got all that much out of their arms yet, but Kelley says they do a good job of it.

CHAMPION LADY BOWLER

Rolls at T. B. C.—Will Play a Match Game To-Night.

Miss Gertrude Hull of Chicago, champion lady bowler of the world, was the attraction at the Toronto Bowling Club last night. Miss Hull rolled nine games against W. V. Thompson of Chicago and then in doubles with the same gentleman against Woodbury and Fisher, two Chicago bowlers.

Miss Hull has a splendid delivery and is quite capable of holding her own with any bowler, male or female. Last night in her singles she experienced a little hard luck, invariably hitting the pins in the right place, but not getting strikes. However, in the doubles, the previous games proved good practice, as she went out and rolled 538 in the series. In the first one in the doubles she was high, with 191.

This morning at the T.B.C. Miss Hull will instruct the ladies how to bowl, and to-morrow will roll a match game with Art Anglin of hook ball fame. A large crowd should be in attendance.

Following are last night's scores:

Miss G.
