In all the world to-day—in all the history of the world—no doctor nor institution has treated and restored so many men as has the famed ERIE MEDICAL CO. of Buffalo, N. Y.

This is due to the fact that the company controls some inventions and discoveries which have no equal in the whole realm of medical science.

So much deception has been practiced in advertising that this grand old company now for the first time makes this startling offer:

They will send their costly and magically effective appliance and a whole month's course of restorative remedies, positively on trial without expense to any honest and reliable man!

Not a dollar need be advanced—not a penny paid—till results are known to and acknowledged by the patient.

The Erie Medical Company's appliance and remedies have been talked about and written about all over the world, till every man has heard of them.

They restore or create strength, vigor health. They restore or create strength, vigor, healthy sue and new life.

They restore or create strength, vgor, heatty tissue and new life.

the new City Hall elevators, our cuis question was not entertained because of undue notification declared in the construction of the City Council to reconsider their decision to force the Marchment Co.

A number of petitions having been presented requesting Council to reconsider their decision to force the Marchment Company to remove their dump, Ald. Denison asked if it was intended to allow the company to move to Ashbridge's Bay, where it would injure the property of the Don Rowing Club. Ald. Leslie moved that the solicitor be instructed to take steps to prevent them from carrying on operations without the consent of the City Council. Ald. Sheppard objected that so long as the company conformed to the laws of health the city could not interfere. Ald. Crane said that statistics showed the part of the city concerned was the most healthy. Ald. Lamb held that the city was acting within its legal rights in passing the motion, and was supported in his contention by the City Solicitor.

After further theses on odors and healthrulness the motion was adopted. A representative of the company was refused a hearing.

LOSS OF FLESH A SIGN OF DECLINING HEALTH.

Do the scales tell you-does the fit of your clothes tell you—you're losing flesh? You need Milburn's Heart and Nerve Pills.

They so vitalize the nerves, improve the digestive powers, increase the appetite, strengthen the heart and enrich the blood, that the angularities of your body fill out with healthy flesh, your muscles become firm, your spirits revive. The scales tell you you're gaining in weight. You feel your old buoyant, vigorous health returning—Milburn's Heart and Nerve Pills have done their work well. Here's

what Mrs. D. N. Ostrander, of Trenton, Ont., has to say about them:

"I have been a great sufferer for many years with my heart and nerves. When going around the house I would get so bad that I had to lie down on the lounge until I could recover my breath. At night I could hardly sleep at all, and when I would drop off to sleep would wake up with a start, followed by a suffocating feeling as if my heart had stopped beating forever. I got very languid and weak, had no ambition, and thought that everything was going wrong with me. I grew morbid in mind, lost my appetite, and had to force myself to eat what I did. I was reduced almost to a skeleton, weighing only 90 pounds at the time I started to use Milburn's Heart and Nerve Pills, and I can tell you that I would have given but little for my chances of living much longer. Several doctors attended me, and I have taken al. kinds of proprietary medicines, but without avail. I got a box of Milburn's Heart and Nerve Pills and thought I would try them as a last resort. The results were simply marvellous. I began to improve from the first few doses, and noticed a big difference before I had taken one box. Now I sleep well, the suffocating feeling is completely gone. I have splendid strength and my appetite is such that I have to restrain myself for fear I eat too much. I can eat anything that is set before me and am better that I have been for years. Am increasing in weight right along, and feel that life is worth living, thankseto Milburn's Heart and Nerve Pills."

Milburn's Heart and Nerve Pills cost 50c. a box, or 3 for \$1.25, at all drug stores, or sent by mail, postpaid, on receipt of price. T. MILBURN & Co., Toronto, Ont. what Mrs. D. N. Ostrander, of Trenton, Ont., has to say about them :-
