THE HEBREW NEW YEAR Was Ushered in With Special Services at Holy Blossom Synagogue

on Sunday Evening.

At the last regular meeting of quarterly official board of McCaul-street Methodst had made considerable progress before discovered, but was unanimously decided to grant the pastor, Rev. J. T. Morris, a substantial bonus over and above his salary for the last conference year. Resolutions of regret at the death of the late Charies Woodland and condolence with the family were passed. The financial report showed all floating indebtedness wheel out and a satisfactory state of affalirs.

On North Water-Steet.

At the last regular meeting of quarterly of rough-cast structure, and the fire fack, who is now unable to walk. She has to be taken around in a Bath chair, has grown quite feeble, and looks almost as Brown's loss on machinery and stock is about \$2000, insured in the Economical of the Berlin-for \$1000. The Barbour estate owns medical advisers of both the Queen and the building, which was insured for only \$250. What caused the fire is a mystery.

JOB WAS TOO HEAVY FOR HIM.

SEALERS HAVING HARD LUCK.

Phousands of Canadian mothers say they would not be without Griffiths' Menthol Liniment in the house at any cost. There is no other remedy so useful in the home.

A Magic Fill-Dyspepsia is a foe with recumatism since. I, however, keep a bottle of Dr. Thomas' of the blood and much of that purity depend on purity of the blood and much of that purity depends on perfect kidney filtering. If these organs are diseased and will not perform their functions, man dissolved, and a new Parliament has been dissolved, and an ew Parliament has to be a full in the home.

A Magic Fill-Dyspepsia is a foe with which men are constantly grappling, but to others, as it did so much of that purity depend on purity of the blood and much of that purity depends on perfect kidney filtering. If these organs are diseased and will not perform their functions, man dissolved, and a new Parliament has to be additionally the provided and will not perform their functions, man will seek in vain for strength and woman for beauty. No person should go from home without a bottle of Dr. J. D. Kellogg's Dysentery Cordial in their possession, as change of water, cooking, climate, etc., frequently brings on summer complaint, and there is nothing like being ready with a sure remedy at hand, which oftentimes saves great suffering and frequently valuable lives. This cordial has gained for itself a widespread reputation for affording prompt relief from all summer complaints.

from time to time, says that delightfully feminine bedchamber. The modern builder funny man, W. L. Alden, but at none of of houses with unaccountable

these exhibitions has there been a display always puts in locks and keys that do not of women's tools. This is quite unaccountable, for the ingenuity shown by women nice cracks between the door jambs and in converting into tools things which were the outer ornamental strips of wood. What never designed for that purpose is one of the most remarkable characteristics of the crows and the key will not work, to fasten sex. When a man wishes to do any piece the door with the handle of the toothsex. When a man wishes to do any piece of work which requires a tool he searches for the proper instrument, and if he cannot find it he fancies that the proposed work must be abandoned. A woman, on the contrary, is never at a loss for a tool. She can take almost any object and put gloves, our boots and slippers, cut leaves of it to almost any use. There is the tooth- our books and magazines, when the paper brush handle. A man never thinks of a knife is not handy, hang our pictures, pictures, cooth-brush as anything but a thoth-brush, on our hats and bonnets, fasten our veils but a woman knows its endless capabilities. If a window frame ratties at night kin." But why enumerate the various she wedges it with a tooth-brush. If she uses of these articles in feminine hands? Is suddenly required to stir a dose of mediate. Mr. Alden's suggestion is a good one, Mancine in a glass, and a spoon is not at hand, ager Hill would do well to make a note of she promptly uses the tooth-brush handle. it. An exhibition of these articles, and the incredible uses to which they may be osen the mould in a flower pot, and in put when feminine ingenuity is exercised extreme cases she can even drive in tin upon them, would indeed assure the finantacks with the same useful article. Then there is the hairpin. The uses to which a America."

Canadians, like the British, are little given to fads in the matter of note paper extract it. Does she wish to burn a small they are not swift to adopt any new fashion stationery is likely to put before them. The ness and precision. With a hairbrush, unwith the address or crest or mo feels able to drive in the largest nail, to simply adorning the sheet of paper-the punish the most vigorous small boy, and maintain their favor always with people of to convert lump sugar into the finest powered sugar. She can make an excellent first considerations always, little difference hammer with the heel of her boot, and can is noticeable in the shape of paper or en river. If a woman knew the process of shape, but seldom does one notice any rad building a boat she might be cast ashore cal change. Just now the fashionable King on an uninhabited island, with nothing but and Yonge-street stationery shops are a hairpin, a tooth-brush and an ordinary showing plain deep blue grey note paper sized boot, and within a month she would which is called Victoria grey, this seaso turn out a seaworthy boat in which she in the small square shape, with a pre would escape to civilization. A collection wallet envelope. Larger in size is the blue of articles which women use as tools would Holland linen note, with envelope to match
